**LISTED BELOW ARE SOME SUGGESTIONS AND GUIDELINES FOR HOST  
BRANCHES TO KEEP IN MIND WHEN HOSTING  
PROVINCIAL SPORTING EVENTS:**

1. Branches hosting a Provincial Sporting event **MUST** have a Sports Committee in place that can handle the logistics of the event.
2. Ensure that someone has a camera there to take pictures of the Provincial winners to be sent to Command for use on social media and the Legion Magazine. Be take photos using the highest resolution possible.
3. When the list of eligible players is sent to your host committee, please ensure that you have the host Branch event fee for all the players. If not, please call the District Commander or the command office so that we can follow these up. The Host Branch cannot plan their event properly if the fees are not in.
4. Any Branch wishing to host a Provincial event must send a letter to the Command Office. Hosts are accepted on a first come basis. If the year chosen is already booked, then the next available year will be offered.
5. Explain the rules and tie breaking procedures, before the competition begins. This ensures clarity for all participants.
6. Ensure media is made aware of the competition

***PROVINCIAL BOWLING:***

1. When planning this event it is a good idea to rotate the start times for both categories. For example Regular would start early one day and Golden Age would start early the next day.
2. You may want to start the Golden Age on the Friday to accommodate the working participants.

***PROVINCIAL GOLF:***

1. When planning supper for golfers on the Saturday evening it is a good idea to not serve it too late in the evening. Most golfers will be past the hungry stage by then.
2. When planning lunch on the Sunday ensure that it is not too early. You want to plan it around the time that all the golfers are finished play.
3. When Branches are accepted to host the Provincial event, the host committee should check out the golf course to ensure that it is suitable for play.

**EXPLANATION OF REGISTRATION FEES AND EVENT FEES FOR ALL  
SPORTING EVENTS**

\*\*\*\*\*

1. Every member that plays in any of the sports including Curling, Darts, Cribbage, Bowling, Golf and 8-Ball are required to pay the one time registration fee that is payable at the Branch level for each sport. Payment is then remitted along with the registration form to the next level of play. Thus, if a Zone playoff is required, you send it to the Zone Commander, if it goes straight to Districts, then you send it to the District Commander. If there is only a provincial playdown then you send it to the Command office.

Please see your **Provincial Sports Playoffs and Registration Details** that are mailed to every Branch in the fall that includes all the registration fees for each sport, dates of all Provincial Events and National events as well as important information that pertains to that year. It also lists the members of the Provincial Sports Committee.

\*\*\*\*\*

2. The second type of registration fee is the **“Host Branch Event Fee”**. This fee is for the Branch that is hosting the Provincial Event. Every player that plays in a Provincial Sporting event is required to pay the fee that is posted in the agenda for that particular sport. This fee includes, meals, lane charges, golf course fees, banquet, or any other fee that the Host Branch deems necessary to offset costs to run the event.

If there is a District playoff, pay the **Host Branch Event fee** to the District Commander before you leave the playoff so that he/she can forward the money to the BRANCH hosting the Provincial event. If there is no District playoff, ensure that your **Host Branch Event Fee** is sent to the District Commander at least 21 days before the Provincial event so that he has time to get it to the Host Branch to meet the two week deadline.

\*\*\*\*\*

3. The third type of fee may be payable if there is a Zone playoff or if there is a District playoff. The Host Branch at these two levels of play may charge an event fee as well. The amount is also payable to the Host Branch of either the Zone or District playoff by a defined time agreed upon by the Zone or District Commander and the Host Branch.

Your Zone or District Commander will let you know the amount and the deadline date for the Host Branch to receive the event fee at these levels.
