

Saskatchewan Veterans Service Club Support Program *Program Guidelines 2021-22*

The Government of Saskatchewan introduced the Saskatchewan Veterans Service Club Support Program in 2019-20. This Program, delivered in collaboration with the Royal Canadian Legion Saskatchewan Command (“RCLSC”) and the Saskatchewan Army, Navy & Air Force Veterans (“ANAVETS”), provides grants to support the work of veterans’ service clubs across Saskatchewan.

The Program aims to:

- Strengthen and contribute to the long-term sustainability of veterans’ service clubs; and
- Engage, inspire and promote the work of veterans’ service clubs in Saskatchewan for the benefit of veterans, their families and communities.

Eligible Applicants

- Registered, non-profit veteran’s service clubs, Legion branches and ANAVETS units based in Saskatchewan are eligible to apply.
- Applicant organizations must be in good standing with Information Services Corporation (ISC).

Eligible Projects and Activity

- Veterans club facility improvement projects, upgrades, renovations and repairs to support community access to programming, meetings and events including purchase of COVID-19 personal protective equipment for the facility; and
- Special events, programs and activities to engage the public and advance the work of veterans’ service organizations.
- Projects must be completed by March 31, 2022.
- In addition, each eligible applicant may apply for up to \$2,500 to be directed toward club operating costs.

Grant Amount

The maximum amount awarded to any applicant in 2021-22 will not exceed \$25,000 in any combination of:

- up to \$25,000 for projects; and,
- up to \$2,500 for operations.

Note: As funding is limited, not every eligible application may receive funding and the amount approved for each project may be less than the amount requested. Funding amounts awarded are based on assessment of applications using the assessment criteria, the number of applications received, and consideration for providing support to veterans’ service clubs across the province of Saskatchewan.

Application Deadline and Process

- Application forms will be distributed by RCLSC to all Saskatchewan legion branches and ANAVETS units and are also available by contacting the RCLSC at 306-525-8739.
- Application intake deadlines: April 30, 2021 and August 31, 2021.
- The same application form can be used to apply for project and operations grants.
- Applications must be submitted to RCLSC by mail, fax or electronic mail (email), and will be accepted up to midnight of an intake deadline.
- Applicants can only apply for one project grant per intake period.
- All questions on the application form MUST be answered to be considered complete and to move forward for review by the Application Review Committee.
- Submit only the material requested. Extra material submitted will not be forwarded to the Application Review Committee for consideration. Please do not submit estimates or other similar documents.
- Applicants with questions may consult with RCLSC prior to submitting an application.

Assessment Process

- The RCLSC will review all applications to confirm basic eligibility requirements are met and the application is complete.
- Eligible applications will be entered into the RCLSC database, then forwarded to the Application Review Committee for consideration.
- The Application Review Committee is composed of one representative from the RCLSC, one representative from the ANAVETS, and one representative from the Government of Saskatchewan.

- If deemed necessary, the Application Review Committee may request additional information from the applicant.
- All applicants will be informed of results within approximately ten (10) weeks of the application deadline.
- Successful applicants will receive the approved grant payment within approximately ten (10) weeks of the application deadline with the grant approval letter.
- The Application Review Committee funding decisions are final and cannot be appealed.

Assessment Criteria

Applications for projects will be assessed based on the extent to which the project meets the following criteria:

- The project strengthens and contributes to the long-term sustainability of veterans' service clubs.
- The project engages, inspires and promotes the work of veterans' service clubs in Saskatchewan for the benefit of veterans, their families and communities.
- The applicant has provided a clear, detailed project plan including timelines and activities to be carried out.
- The project enables participation and access for Saskatchewan residents, and is likely to achieve the expected benefits and outcomes for participants.
- The application demonstrates a realistic and responsible use of resources.
- The project is feasible, showing the ability of the organization to deliver a quality project.
- The applicant demonstrates a financial need, and the project or activity proposed is not already served by an existing funding program and the proposed costs are eligible.
- The project supports and aligns to one or more Legion or ANAVETS themes and priorities.
- The proposed project/activity is designed to address an identified need or issue.
- The proposed project/activity supports the applicant to maintain COVID-19 public health directives in general and during the implementation of the project.
- The project complements other legion or unit initiatives.

Operations grant assessment will consider the applicant's financial need against their demonstrated eligible expenses (up to the maximum amount).

Eligible Expenses

Costs directly related to the project are eligible such as costs for facility renovations or repairs, project materials, contractor fees, project supplies, the purchase of COVID-19 personal protective equipment and equipment needed for project delivery.

Short-term club operating costs are eligible to help offset impacts of COVID-19 on club operations (e.g.

office administration fees including existing staff wages, utilities, rent and/or rental of an applicant's organization facilities).

The following costs are NOT eligible for funding:

- Any part of the project that is a duplication of services or initiatives already available in the veterans' community;
- Existing debt or shortfalls;
- Alcohol costs;
- Accommodation costs; except for costs of resource people directly related to the delivery of the project;
- Cash prizes or gifts;
- Activity that exclusively promotes definable religious or political viewpoints;
- Allowances, wages or personal expenses for program registrants and participants;
- In-kind contributions (volunteer time, donations of food, goods, services, equipment, waiving rental fee, etc.); and
- Any other expenses deemed ineligible by the Application Review Committee.
- All expenses must fall within the indicated start and end date of the grant. Expenses incurred before or after the grant period (April 1, 2021 to March 31, 2022) will not be eligible.

Funding Obligations

- Grant recipients will be required to acknowledge the Program and the Government of Saskatchewan funding support for the project.
- Grant recipients will be required to submit a follow-up report within 45 days of the completion of the project. This report must describe the activities of the project and indicate how it met the aims of the Program. Grant recipients must retain receipts to support eligible expenses (if requested).
- Funding may be denied if a follow-up report from a previous year has not yet been submitted by an applicant.
- The grant recipients will be expected to keep proper accounts and records of the projects in respect of which funding is paid from the Program and provide follow-up reports to the RCLSC.
- Expenses claimed must be to support an eligible activity proposed in the application. Significant changes to the use of funds must be approved by the Application Review Committee.
- Funds may not be transferred to other activities or organizations and unused funds must be returned to RCLSC.
- Failure to meet the above funding obligations to the satisfaction of RCLSC will be grounds to restrict access to future funding and or required to return the funds.
