## President's Message

On behalf of Saskatchewan Command of The Royal Canadian Legion, I would like to thank all those who have contributed to our eleventh edition of the Military Service Recognition Book. With your support The Royal Canadian Legion in Saskatchewan, continues to fulfill its role as "Keepers of Remembrance".

In this book you will find men and women from this Province who have served with great honour and distinction. Many of them made the supreme sacrifice and this is our way of assuring they are remembered. Many of them came home forever changed. All who came back built our Province and Country with the same dedication and effort they gave while serving our Country in time of war and peace.

Our Veterans truly believed that "Without freedom there can be no enduring peace and without peace no enduring freedom". It is with gratitude that we acknowledge that in Saskatchewan, we live in peace and freedom that our Veterans gave to us.

*At the Going down of the Sun  
And in the Morning,  
We will Remember Them !*

## **The Eagle Feather**

You will find the Eagle Feather throughout the book. This feather is placed within the bio of a Veteran to indicate their Indigenous background. The Eagle feather is a special connection to the Creator. It represents strength, courage, freedom, honesty. As the eagle flies higher and sees better than any other bird, it brings perspective of all creation.

Many do not realize the contribution that the Indigenous people made to our country in the time of conflict. Early days and even today, Indigenous people have not necessarily been treated as equals. Yet, many of them participated within the military to defend our country without question putting aside their indifferences. The Muskeg Lake Veterans story is a prime example of this.

“We are all walking the same direction, it is time we all walk the same path.”

- Philip Ledoux, Mistawasis First Nation, Canadian Army Veteran

## **Connection with Sport and the Military**

SASKATCHEWAN  
SPORTS  
HALL OF FAME

You will find this logo throughout the book. Sport and the Military have a unique bond. Our national anthem is sung before all major sporting events and often at local amateur events. You often will see a fly-over before the start of a ‘Rider’ game. This fly-over is done by the Snowbirds based out of Moose Jaw. It is done to honour this special bond that Sport plays within the lives our military and our civilian way of life. Sport is about teamwork. There is no better team outside of our military. *Soldier On* is a Canadian Forces Moral and Welfare Services Initiative that is geared towards supporting its members to overcome physical and mental health injuries sustained during conflict. Sport is the gateway to healing. To be inducted into the Hall of Fame is a great honour. These people sacrificed everything for their country. They left behind their families and way of life to serve. Whether it was before they left or after they came back they made an impression on local sports. Close to 60 individuals are included in this book, but many others have been inducted into the Hall as a member of a team. For this we honour them.

# WHAT THE HECK DOES THE LEGION DO?

**Veterans**

**Remembrance**

**Community**

First of all, we want you to know that at the Royal Canadian Legion, veterans are Canadian Armed and Allied Forces personnel and RCMP who have served and are serving.

Next, we want you to know that, by observing the Legion's three pillars—Veterans, Remembrance, Community—Saskatchewan Command, as the Saskatchewan arm of the Legion, is an active presence in communities across the province. But how, you ask? Well, read on, to discover how the head office in Regina works closely with its Executive Council, 171 branches around the province, and over 10,000 members to support Veterans, Remembrance and Community.

## **Veterans**

Veterans requiring support of any kind can contact their local Legion branch in confidentiality which will put them in contact with a branch service officer. Veterans can also contact the Provincial Service Officer at 306-525-8739 or toll-free at 1-866-471-8387. Service officers conduct needs assessments and based on the results, develop a plan for the veteran to move forward which often includes a community and team effort of businesses, health professionals and other service organizations. A plan could include the service officer assisting the veteran to fill out paperwork from Veterans Affairs Canada, the service officer acquiring furniture for the veteran donated by local businesses, and the service officer connecting the veteran to health professionals.

Here are some of our programs that your donations go toward so that veterans receive the care, benefits and support that is the mandate of the Legion.

Leave the Streets Behind – for homeless and near-homeless veterans.

Paws for Veterans – matches service dogs to qualifying veterans suffering from operational stress injuries (OSIs) such as anxiety, depression and post-traumatic stress disorder. It also raises public awareness about service dogs and their presence in society.

*so much for*

## WHAT THE HECK DOES THE LEGION DO? ... *continued*

Discovering the Power in Me – In partnership with Wounded Warriors Weekend Foundation and the Pacific Institute, Saskatchewan Command offers this seminar for Saskatchewan veterans and their families, offering tools to deal with operational stress injuries (OSIs).

Wounded Warriors Weekend – For veterans, reservists and first responders suffering from OSIs, and their families to engage in leisurely indoor and outdoor activities while at the same time receiving support from health professionals.

OSI-CAN (Operational Stress Injury Canada) – With support from the Canadian Mental Health Association and Saskatchewan Command, OSI-CAN offers a weekly or monthly support group in the communities of Regina, Weyburn, Saskatoon and Prince Albert to veterans, first responders and Correctional Service workers. It also offers access to equine therapy and service dogs.

Funeral and Burial – The Royal Canadian Legion delivers the Veterans Affairs Funeral and Burial Program which provides funeral, burial and grave marking benefits for eligible Canadian and Allied veterans. Its mission is to ensure that no veteran is denied a dignified funeral and burial as well as a military gravestone because of insufficient funds.

### Remembrance

Poppy Campaign – The Royal Canadian Legion, since its inception in 1926, has become known for its annual organization of November 11<sup>th</sup> Remembrance Day services and events, held in many communities across Canada to honour veterans. Along with Remembrance Day is the poppy campaign, which always runs from the **last Friday in October through to Nov. 11** – this period marks the time when The Royal Canadian Legion distributes poppies and encourages the public to wear them as a reminder of the service given by our veterans.

Poster and Literary Contests – Every year, Legion branches offer local schools the opportunity for their students to submit entries in the form of a poster, poem or essay with veterans as the theme. The contests start at the branch level in October, with winning submissions moving up the Legion ladder until finally, 14 entries from students in Saskatchewan are sent to Dominion Command in Ottawa for judging.

At this highest level, the winning entries are displayed at the Canadian War Museum from July 1 to May 1 of the following year. For the poster contest, the second-place winners and any

# MUSKEG LAKE CREE NATION

## Muskeg Lake's History

Muskeg Lake Cree Nation has a long and rich cultural history. First established in 1881, the core reserve is still home to approximately 367 community members (MLCN Health Records, June 2011). 1,481 additional members live across Saskatchewan and Canada, yet they are still proud to call Muskeg Lake their home and community.

### We Are Our History

Our veterans have played a significant role in the ways we have developed as a community. When community members enlisted for WWI, WWII, the Korean conflict and Peace-time service, they came back changed—not only by war, but by having their

eyes opened to the ways of the world outside the reserve. This shift in perspective has forever changed the way we see ourselves as a community.

In the second half of the 20th century, two agreements—Asimakaniseekan Askiy in 1988 and the Treaty Land Entitlement (TLE) Trust in 1992—led to the growth of Muskeg Lake. These agreements generated a need for the community to reach outward to surrounding governments and municipalities and bring us into a process of community consultation, something which had never before happened. The TLE Trust led to the acquisition of urban and agricultural lands, which fostered economic development for the community through land leasing and entrepreneurial growth.

Today, we look back on a proud history that we owe in great part to our veterans and to the community leaders who have changed the way we see ourselves as a community and in the larger world.

receiving an Honourable Mention are displayed in the foyer of the House of Commons during the annual Remembrance period in November. As well, The Legion sponsors a trip to Ottawa for the Senior winners to attend the National Remembrance Day service where they place a wreath on behalf of the youth of Canada. They also have an opportunity to meet and visit with the Governor General.

Teaching Guide – free to primary and secondary schools to assist them in imparting information to their students about the tradition of Remembrance.

Among the many other ways our branches Remember is by maintaining the many cenotaphs and monuments around the province.

### Community

Track and Field Camp – In its 52<sup>nd</sup> year, this five-day summer camp welcomes up to 200 high-school-aged athletes from across the province, after which some go on to compete at our national meet. For more information, contact your local branch.

Scholarships and Bursaries – Each branch has an opportunity to offer its own bursaries and scholarships. Saskatchewan Command also offers bursaries and scholarships, for residents of Saskatchewan in their first year at a post-secondary institution.

Branch Sports – Branches may offer such sports as bowling, cribbage, curling, darts, 8-ball pool and golf.

Our branches also support their local communities by volunteering, donating funds, hosting events, and a slew of other diverse activities. They are also a point of contact for veterans.

To become a member, locate a branch near you or for more information about The Royal Canadian Legion–Saskatchewan Command, feel free to call us at 306-525-8739, email [info@sasklegion.ca](mailto:info@sasklegion.ca) or visit our website at [sasklegion.ca](http://sasklegion.ca).

# Table of a Fallen Soldier

The tradition of setting a separate table in honour of our prisoners of war and missing comrades has been in place since the end of the Vietnam War. The manner in which this table is decorated is full of special symbols to help us remember our brothers and sisters in arms.

The Table of a Fallen Soldier is set in the hall or dining room, where guests can see it, but where it will not be in the way.

## *The table is smaller than the others*

symbolizing the everlasting concern and remembrance for our fallen comrades.

## *The white tablecloth*

draped evenly represents the purity of their motives while answering the call of duty.

## *The empty chair*

representing the missing comrade.

## *The single place setting*

represents your wish that the fallen men and women of the armed forces could be present at the happy occasion with you.

## *The white candle*

representing the light of hope/light of life.

## *The single red rose*

represents the blood shed/the families who love and keep faith with the men and women who serve.

## *The ribbon*

represents loyalty in waiting for those who are serving away from home, while a red ribbon symbolizes the memory of and search for those missing in action.

## *The slices of lemon*

on the bread plate represent the bitter loss of the life of the fallen soldier.

## *The salt upon the bread plate*

represents the tears of their families.

## *The inverted wine glass*

placed to the right of the plate, represents the fact that the fallen comrade will not be able to participate in the happy toasts at this event.

*Hymn used by the 10th Can. Battalion  
after Vimy Ridge at their Thanksgiving  
Service May 13/17.*

Great God of nations, at Whose Will,  
Proud sceptred Empires wax and wane  
Defend our Empire's people still  
Unsheathe Thy sword for us again  
For liberty and right we stand  
O God arise stretch forth Thy hand.

Great God of battle steel their heart,  
Who serve by land, and air and sea;  
With honour let them play their part,  
With duty let their service be,  
Gainst cruelty and wrong we fight,  
O God arise put forth Thy Might.

O God of pity be Thou nigh,  
Where lurks the sunk death-dealing mine,  
Where blazing roof-trees flush the sky,  
In reeking trench and shattered line,  
For Motherhood and King we fight,  
O God arise maintain the right.

O God of mercy be our shield  
And hear our dear ones far away;  
For thym we stand on blood stained field,  
For us they wait at home and pray,  
To Thee we turn, to Thee we cry,  
O God lead on to Victory.

Amen.

This poem was first recited at a Service, 13 May 1917, only three weeks after Vimy Ridge: 10th Battalion, First Canadian Division. This hymn was found in the personal possessions of Brigadier-General Danial Mowat Ormond. At this time he was still a Lieutenant-Colonel, 10 Battalion, CEF.

A museum quality replica was donated to Saskatchewan Command by Dr. Paul Kavanagh in an effort to provide the best opportunity for everyone to view it. The original copy of the hymn is held at the Canadian War Museum.

# *Forever Changed*

***Forever Changed*** is a book centered around the major, traumatic events in the life of Alameda-born Ritchie Scott which led him to sign up for military duty when he was nineteen.

Ritchie's daughter, Cheri Helstrom, tells the story through Ritchie's eyes, using Ritchie's words, taking the reader from rural Saskatchewan to the north, to eastern Canada (Toronto), across the Atlantic to Britain, to the battlefields of Italy during the Second World War, to an English military hospital and, finally, home to Canada.

The resulting post-traumatic stress disorder (PTSD) had far-reaching effects physically, emotionally, and socially.

***Forever Changed*** honours Ritchie's life and times and celebrates his accomplishments.

Cheri is a retired teacher who lives with her husband, Dave, on a farm near Gray, Saskatchewan.

Cheri does speaking engagements in Saskatchewan and Manitoba and would be very happy to attend your Legion Branch, school, or library as a guest presenter.

For booking a presentation or ordering a book, please call Cheri directly at 306-779-0016 or 306-537-4683.

## ***Mega Ninja: Attack of Spiky Giants from the Sun***

is a continuation in the **Mega Ninja Mini Adventure series.**

After fireballs hit earth, Mega Ninja finds out he is in for a battle.

A new type of robotic hero...

The book is funny, mysterious, and sometimes just plain weird. From the mind of a little boy in grade 3, the book has imagination and uniqueness that could only come from a seven-year-old.

### ***About the Author-Designer***

E. Niebergall is a seven year old boy in grade three that loves to create stories. He has made hundreds of mini stories in little books. He spends his time playing drums, piano, baseball, hanging out with friends plus other activities, and a lot of time creating his own comic books. He has decided to donate any profits from this book to The Royal Canadian Legion.

Outside of writing stories of Mega Ninja using his powers for good to fight evil, this 7-year-old is donating \$2 from every book sold to The Royal Canadian Legion's "Discover the Power in Me" program - a transitional program that provides tools and coping skills for our Veterans to help them with their mental health struggles from injury and transitional issues. So far, Saskatchewan Command has placed 125 individuals through the program and all 125 are still alive.

On June 6, 1901 his parents, Harry and sister Daisy arrived in Alameda in Cateville to find the ground white with snow. Their belongings consisted of furniture, two horses, a cow, a walking plow, a six-foot disc and some harrows. Fire was only one of the drawbacks in the early years. There was also hail, frost and one year an early snowstorm. More siblings were born, Bertrand, Marjorie, Inez and Lyla. School was a problem for a while. Harry went to school in Rockland for a time but in 1908, Cateville School was opened. He enlisted in June 1916 in the 152<sup>nd</sup> Battalion and went in training at Camp Hughes now Shilo. He had a short harvest leave and when it was over was posted overseas. After some time in the lines with the Infantry, he was transferred to the Engineers and ran a gasoline engine on a narrow gauge railway bringing in ammunitions and supplies. He served in this department until the end of the war. He was gassed and hospitalized for a time. Harry was discharged in April 1919. He returned home in the spring and started farming again. Harry married Gertrude Hatchard in 1922 and they had two children, Evelyn and Ronald. Harry and Gertrude parted and Harry married Evelyn Jackson and they bought a farm in the Mayflower district. Harry passed away on May 1952 at the age of 58 and is buried in Alameda Cemetery.

## 2018: 100 Years after the Armistice

In November of 2018, the Provincial Archives of Saskatchewan and the Provincial Capital Commission will premiere the final video in a five-part series honouring Saskatchewan's involvement in the First World War.

Each year beginning in 2014, one video from the series *"From the Prairies to the Trenches"* has been released commemorating the 100<sup>th</sup> Anniversary of the First World War (1914 – 1918).

The fifth video, entitled *"The German Spring Offensive, The Hundred Days Offensive, Armistice and Aftermath (January 1918 – January 1920)"*, explores the climactic final campaigns, the November 11<sup>th</sup> Armistice, and the return home of Saskatchewan's soldiers.

The first four segments can be seen on the Provincial Archives of Saskatchewan YouTube channel, at the Saskatchewan Legislative Building, and at Government House in Regina. The fifth video will be released for public viewing in time for Remembrance Day on November 11, 2018.

The development of this five-part video series was made possible thanks in part to the Government of Canada.

**EWAN (MANSELL), Betty Maud**

**WWII**

Betty Maud was born on November 16, 1907, the eldest of four children to Walter Mansell and Maud Gell in Northampton, England. She worked as an accountant. During the war, she worked at a Military-Aircraft Company in Coventry, a one-hour train ride away from Northampton. Every morning in the dark, she boarded the train not knowing it all the tracks at the factory would be there. During the Battle of Britain, Coventry was bombed heavily every night. She married Keith Ewan on January 25, 1941. On June 5, 1944 their son Bruce was born. The birth announcement was on the same page as the headlines about the D-Day invasion. Betty and son Bruce embarked from Liverpool on May 11, 1945 and landed at Pier 21 in Halifax, Nova Scotia on May 23, 1945. Because of wartime security, it was impossible to know when you would leave from England, from which dock, nor the name of the ship. War in Europe was virtually over, but their ship still had to run a zigzag course, just in case some unfriendly submarines were out there. A cabin contained eight women and their children. After a six-day train trip across Canada, they were met at Alameda by the Sillery family and lived with them until Keith went home in September 1945. A daughter, Ann, was born in Oxbow. Betty was involved with The Royal Canadian Legion, Happy Gang, Frobisher U.C.W. and the Frobisher Church.

# WILDFONG CONCAVES

Our concaves are built using AR 400 plate which is four times as hard and twice as strong as regular steel; this means our concaves can outlast our competitors significantly. All of our concave parts are precision cut at professional laser shops to ensure the best fit for fabrication and lasting quality. At Wildfong Concaves we use more height above the wires to ensure quality threshing for our clients, setting us above factory design. Our continuous bar design allows all three concaves to synchronize as one leaving no dead spots or interruptions in the threshing process.

In the summer following high school, Stanley made his mark nationally, capturing the 1926 Canadian Senior Men's 440 yard. He later broke the Alberta senior men's 440-yard record and won the same race at the 1927 National Open Track and Field Competition in Toronto. After placing second in 440-yard at the Canadian Olympic Trials, Stanley was selected to represent Canada in the 1-mile relay at the 1928 Amsterdam Olympics. He competed alongside relay team members Phil Edwards (British Guiana), Alex Wilson (Montreal) and Jimmy Ball (Winnipeg). The team's bronze medal finish behind the United States and Germany still bettered the previous world record by 4/5 of a second. While on tour after the games, Stanley took gold in the 220-yard, 440-yard and Medley Cup relay at the Army, Navy and Air Force Games held in Woolwich, England. Two years later, he competed on a relay team with Alex Wilson, James Ball and A. Scott that finished second in the very first British Empire Games held in Hamilton, ON.

**HAMILTON, John Ernest Burns**

**WWII**

Burns was born in Wawota, Saskatchewan in 1920. In the fall of 1940, Burns filled out an application for RCE Regina. He was categorized as a “B” man because of the loss of a thumb. As the war progressed, they began to accept “B” men. On October 16, 1941, Burns enlisted in the 101 L.A.A. Battery. He was on the Cape Town Castle, the flagship in the 24 ships to cross the Atlantic. He trained in Claxton, England as a bombardier (gunner). Orders arrived and they were moved to allied headquarters at Portsmouth, then crossing the English Channel. After landing in France, they spent two days getting guns ready, then into action. Burns served in France, Belgium, the Netherlands, and Germany during the Second World War. He returned home in 1945. He was a member of Wawota Legion Branch 113 for more than thirty years. Burns passed away in 1991.

**HANNAH, Arthur James “Jim”**

**WWII**

Arthur, known to all as Jim, was the sixth and youngest son of Bob and Kate. He was born in Frobisher, Saskatchewan on July 6, 1926. His other siblings were: Gordon, Harold, Robert, Ernest, Alma and Patricia. Jim attended Frobisher School. As a young lad, he enjoyed playing baseball and hockey. He held various jobs working on the CN Railway, driving a truck for Hamill & Goodwin and helped with the threshing. In 1945, he enlisted in the Canadian Army during the Second World War and when the war ended, he decided to take a barbering course in Moose Jaw. Upon completion of his course, he followed his father’s footsteps and started barbering in Frobisher on October 29, 1947 (a haircut cost fifty cents). He married schoolteacher Olive Jennie McConville on July 22, 1952. They had four children: Margaret Ellen, Arthur Stanley, Betty-Ann and Douglas Wayne. Their golden years of retirement were spent in the Frobisher.

**HANNAH, Ernest “Ernie”**

**WWII**

Ernie, the fourth child of Robert Henry and Catherine Rosella Hannah, was born on October 28, 1920 in Wakaw, Saskatchewan. He had three older brothers: Gordon, Harold and Robert and one younger sister, Alma. The family moved to Alameda in 1924 and then to Frobisher. Two more siblings joined the family, Jim and Patricia. Horses were always a passion and a joy in Ernie’s life. He started and completed his education in Frobisher. Life was not easy for a teenage boy in the 1930’s. Ernie worked on a farm for the sum of one dollar per week. Gathering clouds of war over Europe and other world events brought about a significant change in the lives of the Hannah family – sons were heading off to war. On April 12, 1940, Ernie enlisted in the South Saskatchewan Regiment at Weyburn during the Second World War. Once overseas, he held many positions on coastal defence such as rifleman (foot slogger), signalman (delivered messages from headquarters to the office), transport, and chauffeur (drove an officer for a year). Ernie returned to Canada on July 22, 1945 to Frobisher. The return home was a time of new beginnings. His brother, Bob had been killed in the war and his mother also died when he was away. He married Linda Emma Nagel on October 28, 1947 at the church manse by Rev Billy Graham. To this union were born – Robert James, Kathryn Colleen and Melvin Gordon. Travel was part of Ernie and Linda’s retirement plans – a Legion trip to Europe to relive memories of the war. They moved to Yorkton on March 21, 1977 along with the horses. Ernie passed away on September 12, 1999.

**HANNAH, Glen**

**WWII**

Glen served with the South Saskatchewan Regiment during the Second World War. He worked wire land well servicing. Glen married Erma Smith and had two daughters.

**HANNAH, Gordon**

**WWII**

Gordon, the eldest in the family of Bob and Kate (Gordon) was born in Wakaw, Saskatchewan on April 23, 1914. Gordon was truly a prairie boy. He played hockey as a goaltender in his youth and in the Great Depression he worked on a threshing crew for two dollars a day. By 1937, he had joined the Auxiliary Air Force and was working at Ashdown's Hardware in Regina. He trained at Balfour Technical School in Regina, the Brandon and Calgary #2 Wireless School. With the outbreak of the Second World War, Gordon joined the Royal Canadian Air Force and was shipped overseas, arriving in England during the Battle of Britain in November 1940. After the war, he returned to his beloved prairies for several years. He bought a motorcycle, farmed in Frobisher, worked as an order clerk in Ashdown's, travelling salesman for a grocery chain, grain buyer at Steelman, but the lure of the west coast lingered so in 1951 he travelled to Victoria, BC to work in the shipyards. However, he frequently returned to the prairies. His first wife, Alice, passed away in 1969 and in 1972 he remarried to Barbara Woods, whom he knew during the war in England. Their happy marriage lasted over thirty years, until Gordon passed away on October 6, 2003 in his ninetieth year.

**HANNAH, Harold**

**WWII**

Harold, the second son of Bob and Kate, was born in Wakaw, Saskatchewan in 1916. During his teen years, he worked at a United Church summer camp at Carlyle as a youth counsellor. After completing high school, he enrolled as a student at St. Andrew's College in Saskatoon to undertake the Ministry. After a year and armed with the good book, he headed out to set up a practice in Ardill, SK, but soon discovered the life of a minister was not for him. So he enrolled in Normal School in Regina. He found a job teaching a one-room school in Semans, SK. At the start of the Second World War, Harold enlisted in the Royal Canadian Air Force. Due to his teaching/religious training, he was posted to a Commonwealth Air Training base in Brantford, Ontario. His teaching role was that of bombing instructor and by the close of war, he achieved the rank of Flight Sergeant. He did not see overseas service like most of his brothers, but it did permit him to meet his future wife, Barbara Richards. They were married in Brantford in 1944. **HUNTER (COPLAND), Margaret Elizabeth  
NORTH-WEST REBELLION**

Margaret Copland was born in Scotland in 1849. She trained as a nurse and then married William Hunter in 1870. In 1871 they emigrated to Ontario, and then went west to the village of Saskatoon, District of Saskatchewan, NWT, in 1883. Thomas Copland, her brother, chose a homestead next to the river and Margaret and her husband homesteaded in Llewellyn community, six miles to the northeast. With the outbreak of the Metis insurrection in 1885, General Middleton utilized the Copland homestead as the encampment grounds for the troops. Wounded from both sides were returned to this encampment area, and Margaret provided her nursing skills and medical care until hostilities ceased, after which she returned to the Llewellyn homestead. Margaret died in 1940 in Saskatoon, SK.

**JESSIE, Henry**

**WWI & WWII**

Henry was born on March 7, 1894 in Wyandotte, Michigan. In the spring of 1899, his father, Gus, and family arrived at Curt Hill, Assiniboia District of Canada, which was later known as Wordsworth, Saskatchewan. On November 24, 1920, Henry was united in marriage to Martha Krenz and to this union was born five daughters and one son: Myrtle, Muriel, Marjorie, Joyce, Gloria and Dallas. In about 1929, Henry moved to Frobisher and went into partnership with Frank Hannah in a garage. However, the effects of the depression were felt and many business adventures failed. He was forced to do many varied occupations and became jack-of-all-trades. As with so many others at that period of time in history, his life was disrupted when the Second World War broke out and he enlisted in the Veterans Guard of Canada. Henry served most of these years guarding the Japanese, who were taken inland from the coastal regions for security reasons, at Trail, BC and Lethbridge, AB. Mr. and Mrs. Jesse celebrated their Golden Anniversary in November 1970 and on February 14, 1971, Henry passed away. He had also served in the First World War.

He was awarded the Memorial Cross serving with the Canadian Engineers/20<sup>th</sup> Border Horse during the First World War. He was a Sapper with the 1<sup>st</sup> Tunnelling Company when he was killed in action at Passchendaele on October 27, 1917. He is buried at La Clytte Military Cemetery by Ieper, Belgium.

**MEADOWS, Frank Sr.**

**BOER WAR**

Frank was born in England in 1875. He enlisted in the British Army in the Regiment of Royal Engineers under age using a deceased brother's birth certificate. He served in the Egyptian Campaign. He later served in the Boer War. He was taken prisoner, reported missing, and then reported dead. As the Boers fought mainly guerrilla war, prisoners were either shot or released. Frank was lucky to be released. The cross which marks the grave read "Sapper F. Meadows" but this was a case of wrong identification. Frank had served in the Army under Queen Victoria and King Edward VII. Upon returning to England in 1902, he married Nellie and opened a blacksmith shop in Harmondsworth, Essex. In 1910, Frank and Nellie immigrated to Canada with three children: Frank Jr., Walter and baby Annie to live in a tent in Moose Jaw. On September 7, 1910 he opened a shop in Pense where two more children were born: Roy and Harry. They moved to Gouverneur in Southwest Saskatchewan and Vera was born. Drought and unsatisfactory school drove the Meadows back to Moose Jaw for one year. Then they bought the blacksmith shop and moved to Frobisher. He was a member of Frobisher Legion Branch 343. In 1949, Frank passed away at the age of 74 and is buried in Roselawn Cemetery in Moose Jaw.

**MEADOWS, Roy**

**WWII**

Roy was born in Pense, Saskatchewan. The Meadows family moved to Frobisher when Frank Sr. bought the blacksmith shop. Roy left school in grade nine to go to work for four years in his dad's shop then went back to complete his education. He operated the Post Office as an assistant from 1932 to 1934. He moved to Regina where he worked in a garage for a short time and in December 1935 entered the insurance business. From 1942 to 1946 he was in the Army attaining the rank of Captain during the Second World War. Following the Army, he started an insurance business and moved to Toronto.

**MEARS, James Harry "Jim"**

**WWI & WWII**

Jim was born in Steeple Bumstead, England in 1890. In August 1911, an Englishman, Jim went to Moose Horn District. James built a homestead shack and cleared some land. When the First World War broke out in 1914, Jim sold his land to C.O. Welle and enlisted in the Canadian Army, serving overseas. After the war he returned to Canada and bought land in the Wooler School District north of Clair, Saskatchewan. He married Mae Warriner and raised a family of nine children. When the Second World War broke out Jim again enlisted and served his country. Jim passed away in 1971 and is buried in the Wadena Cemetery in Wadena, SK.

**MELVILLE, Tom “Scotty”**

**WWII**

Tom was born in Thurso, Scotland on April 13, 1908. He served with the Canadian Expeditionary Force from 1939 to 1945. Tom’s involvement with amateur sports spans five decades and numerous sports. Tom has played a major role in many sports: as the secretary-manager of the Saskatchewan Amateur Hockey Association for sixteen years; as an ardent booster of amateur baseball; in the evolution of school-boy curling to its present status as a national event, and in his persistence in the Saskatchewan Roughriders developing a provincial identity. Softball, tennis, swimming, golf, and many other sports have also benefited from his efforts. For example, he developed the highly successful “Learn-to-Swim” campaign with the City of Regina.

**MESSHAM, John Jr.**

**WWII**

John Jr. was born in 1909 to John Sr. and Elizabeth (Melville). His siblings were Willie, Tom and Margaret. In the year 1913, the family moved to the Mayflower district where they continued to farm. John Jr. attended school there. Being a violinist, he played for many of the school dances. A few years later, they moved back to the Frobisher district and farmed the Downer land. On February 14, 1930, he married Ivy Dallin of Frobisher. They had three children: Jean, Marina and Jack. John worked for Hamill & Goodwin hauling coal from the mines. John spent several years in the Royal Canadian Air Force during the Second World War. Upon his return, he was employed as a grain buyer. He was very active in the community; he was Secretary-Treasurer of the Frobisher Legion for thirty years, and active in the United Church. He enjoyed all sports as a player and a fan. John passed away on April 3, 1971 at the age of 62.

**METZ, Donald “Don”**

**WWII**

Don was born in Wilcox, Saskatchewan on January 10, 1916. He began his hockey career under Père Athol Murray at Notre Dame College. From 1931 to 1933, Don played for St. Michael’s College in Toronto. He then played for the Toronto Goodyears for three years. He moved to the Toronto Maple Leafs in 1938, where he played right wing up until 1949. Don and his brother, Nick, played together on the winning Stanley Cup teams in 1942, 1945, 1947, and 1948. Don also played on the 1949 championship team. In the 1942 final against Detroit, the Leafs, who were three games down, made a comeback when Metz scored a hat-trick in the fifth game. He served with the Canadian Armed Forces from 1942 to 1945.

His father went to Estevan and bought a quarter-section at Mount Green. Bert arrived at Ambrose, North Dakota in 1909 and his father drove in and took him to Canada. **RENNIE, Clayton Atkinson Francis**

**WWII**

Clayton was born on February 15, 1917 to parents Len and Jennie May (Atkinson) in Frobisher, SK. His siblings were Melba Marion Isabel, Huel Alexander and Leona. The first social activity Clayton remembers was in 1924 when Jean Riddell invited their class to her home to take turns with radio earphones listening to King George V message to the Empire. The first exasperating thing he ever did was trying to catch gophers at three cents per tail in a multi-million dollar oil field. Clayton left Frobisher in 1939, obtained a job as salesman for the Maytag Washing Company, took a course in Winnipeg and then went selling door to door in Regina. The washer business was good but short lived. Canada was now at war with Germany and the washer companies converted to manufacturing war equipment. Clayton took the Federal Census in Frobisher and then worked as G.M. parts man at Perry Motors in Estevan until he was called up on February 13, 1942 into the Communications Branch of the Royal Naval Volunteer Reserve and spent time in Quebec, Victoria, Prince Rupert and West Coast Patrol. On January 28, 1945, he married Mayda Elizabeth Broberg. They bought a house in Victoria, BC and Clayton got his discharge on August 25, 1945. Clayton and Mayda had three children: Warren, Brian and Sharolyn.

He faced the enemy with great courage; he said the elements were horrific, as they were wet all the time in freezing temperatures. He returned to Korea in around the year 2000 and held on to his memories all his life, suffering from Post-Traumatic Stress Disorder. His close friend during the war was Harely Welsh, who was from Saskatoon, SK. Steve passed away on June 3, 2015.

**TWIST, Pryce Llewelyn**

**PEACETIME**

Pryce was born on July 14, 1890 in a northern Welsh farm community to John and Jane (Griffith), total family of thirteen. The children were raised on a farm and educated in Wales. Pryce joined the Calvary Reserve in his late teens, as jobs were few to be had in those days. Being in the Cavalry was just an extension of the farm to him. At the age of 22, he decided to migrate to Canada in the hopes of becoming a farmer. Early in the new year of 1913, he found work on a ship going to Canada that was carrying cattle and other goods. He ended up in Peterborough on a dairy farm, saved enough money to purchase farm equipment, horses, cattle, and sheep. Left by train with a couple of boxcars with their equipment and livestock to Frobisher, SK and arrived there in early March 1915. Pryce married Verna Bouey in 1925. They had three boys, Jack, Reece and William. Pryce passed away in 1982 at the age of 92 and is buried in Weyburn Cemetery.

**DANROTH, Phyllis Irene**

Phyllis was born in Woking, England. She married Carl Andrew Danroth, a Trooper in the Army, in England in 1945. She departed for Halifax, Nova Scotia on the Queen Mary with her son, Clifford Malcolm, and boarded a train to Demaine, Saskatchewan.

**ELLERT (MURRAY), Helen Keen**

Helen was born in Dundee, Scotland in April 1923. Once the Second World War broke out, she was sent to do "war work" in Dagenham, south of London, and worked night shift welding jerry cans. Bombings were so bad at night that everything was blacked out to avoid being seen from the air. Back in Dundee, Helen met her husband. Helen and Pete Ellert were married on April 13, 1944. In 1946, Helen boarded a Hospital Ship making her way to Halifax, Nova Scotia. She was pregnant with her first child. She landed in Halifax and took a train to Moose Jaw, SK. One of her fondest memories was the light up and down Main Street when she got off the train. Helen and Pete started their farming and family life in Valor, SK. They settled in Vantage, SK and raised nine children later moving to Assiniboia, SK to the home where they would retire. Helen's fondest memories included time with family, fishing, and relaxing at the cottage and volunteering with the church and The Legion Auxiliary. Helen passed away in February 2012.

**FORD (HEMMINGS), Doreen Hilda Elisabeth**

Doreen was born in York, Yorkshire, England. She married Lawrence Eagleton Ford, a Flying Officer in the Royal Canadian Air Force, in York in 1945. She left for Halifax on Ascania on September 1, 1946. During her first night there, a neighbour asked for help with butchering a pig. It was her first education class on farm life. Being city born and bred, she had never seen a pig that size.

**NELSON (SHORT), Barbara Ellen**

Barbara was born in Cobham, Surrey, England. She met Leonard Glen Nelson, a Sapper in the Royal Canadian Engineers and they were married in 1944 at St Andrew's Church in Cobham. She departed to Canada from London on the Queen Mary in late May, early June 1946 while six months pregnant. She arrived in Halifax, Nova Scotia and took the train to her final destination of Ruthilda, SK. She was taken aback by the very long journey to rural Saskatchewan, the endless flat landscape and by the lack of modern amenities, so different compared to home. Although Len, her father, tried to prepare her, reality was a bit of a shock.

**REED (KERR), Jean**

Jean was born in Crossford, Lankshire, Scotland. She married James Whitby Reed, a Lance Corporal in the Army, in 1945 in Crossford after a whirlwind courtship. She embarked on a journey on SS Letticia, arriving at Pier 21 in Halifax, Nova Scotia on March 24, 1946. She went to Springside, Saskatchewan and shortly after, she and Jim moved to Rose Valley, SK where they raised four children – a daughter and three sons. Jean was an active member of the Rose Valley Legion Ladies Auxiliary. She now resides in Tisdale, SK.

**SMITH (PRELOG), Maria**

Maria was born in a Villach, Austria in 1918. As Maria reached early adulthood, she and two friends decided they wanted to see the world. They headed to England where they obtained employment. When the Second World War broke out, Maria stayed in England to contribute to the war effort as a munitions factory worker. In 1943, while living in Uxbridge, Middlesex, England, she met and married Wesley Smith, a Canadian soldier with the 49<sup>th</sup> Loyal Edmonton Regiment. Before the war was over, she and many other War Brides were shipped to Canada in April 1945. Upon arrival, she stayed with her husband's relatives until his return to Canada. They eventually settled in Unity, SK and had three children. After Wes' death, Maria moved to Battleford, SK where she passed away in 2003.

**SOISETH (KLAASJE), Nicki**

Nicki was born in Leeuwarden, Newfoundland. She married Nels John Soiseth, a Signaller in the Army, in Leeuwarden in 1945. She left Southampton, England in August 1946 on the Aquitania. She arrived in Halifax, NS and left by train for Melfort, SK. Nicki had a wonderful welcome and was accepted by her husband's family. She loved Canada from the first day of her arrival and has had no regrets. Nicki was active in the Melfort Legion Ladies Auxiliary.

**PARTINGTON (THEED), Eunice Frances**

Eunice was born in Long Island, New York, USA. She married Reginald Francis Partington, a Sergeant in the Royal Canadian Engineers in 1945 in East Horsley, United Kingdom. She departed from Southampton on March 15, 1946 on the ship Aquitania. She arrived in Halifax, Nova Scotia on March 22, 1946 and made her way to Evesham, Saskatchewan. Eunice first noted with pleasure that there was no rationing.

**WOOD (TOUGH), Christina Raitt**

Christina was born in Aberdeen, Scotland in May 1891. She met Robert William Wood in Aberdeen and they were married in June 1916. Robert was a Corporal with the Gordon Highlanders, 51<sup>st</sup> Highland Division. She remained in Scotland during and after the war. Robert went home to Verwood, SK to work for a short time and then he returned to Aberdeen to bring Christina to Canada in March 1920. Christina believed Verwood was a much larger center than she found. Thus her statement when she stepped off the train, "Where is it?" She greatly missed her family and would cry every day when the train whistle blew. Christina adapted from the roll of sales clerk to a farm life. She was a fastidious housekeeper inside and outside. After moving to Assiniboia in 1930, she became known for her sparkling boardwalks. No speck of dirt was left unturned as she scrubbed the walks every day, bleaching the wood white. Her four children agreed that the saying "you could eat off the walks" was true. Christina was involved in her church and made many friends. After the birth of her fourth child, her health began to fail. In 1949, she fell and broke her hip which left her an invalid to the end of her life in 1963. During this time, she enjoyed visitations by family, friends, and ministers. Christina is buried in Mount Hope Cemetery in Assiniboia.

**WALKER (BRADBURN), Dorothy**

Dorothy was the eldest daughter of James and Mary Ellen Bradburn (Fidis). Her home was Southport, England. At age 5 or 6, she remained in England to attend school, in care of a paternal aunt. Her father, mother and one-year-old twin brothers in Lima Peru apparently perished from yellow fever, a disease carried by mosquitos. Dorothy married World War I solidier Andrew (Andy) Walker in England in April 1917; Dorothy was 22 and Andrew was 29 years old. Coming from England to a cold, isolated Saskatchewan farm life was a radical change for Dorothy. She and Andrew raised three daughters. She belonged to two competing ladies clubs – the Stanleyville Homemakers and the Russellville Ladies Aid. Dorothy passed away at home on Saturday March 19, 1949 at 54 years of age.

**WALLACE, Isabelle**

Isabelle was born in Scotland and went to Frobisher, SK as a War Bride in 1919. She married James Wallace and they had one son on August 17, 1920 but their son, Robbie, passed away on August 22, 1925. Isabelle was a member of council and overseer of the village of Frobisher. After her husband died, Isabelle returned to Scotland in 1954. She often spoke of her time in Canada, where she left her husband and son buried in Frobisher Cemetery. Isabelle passed away on October 19, 1989 at 102 years of age.

**WHITING (MURRAY), Jessie**

Jessie was born in Wales, United Kingdom. She was brought to Canada by her aunt, May Logie, who came to live with her brother, William Murray, in May 1903. Jessie was one of ten children - four boys and six girls. She married Harry Whiting, who served in the Army, on December 25, 1914 in Frobisher, Saskatchewan.

# Vimy “The Legacy of Willie Milne”

Canadian Expeditionary Force, Vimy Ridge, Thelus, France  
Easter Monday, April 9, 1917

*by Scott Allan White*

As the winds grow weak and the sun grows long,  
As the clouds grow heavy and the stars shine strong;  
A rolling stretch of Douai Plain is what I might look on,  
O'er the ridge today.

The boys they lie upon the ground, they laugh and sing and pray;  
They're thankful for the heroes like Willie Milne today;  
Who filled with life and dreams and hope, gasped his final say,  
Up on the hill this day.

Vimy Ridge above this lair, has taken lives so young;  
The fighting lads from Canada going dusk to dawn;  
Yard by yard they must charge up, until the fight is won;  
On each and every day.

Round on round the rifles fire, up at the men we see;  
Sans love, sans hope, sans will, sans amore, sans d'espoir, sans esprit;  
With bodies of their countrymen lying in between;  
Upon this very day.

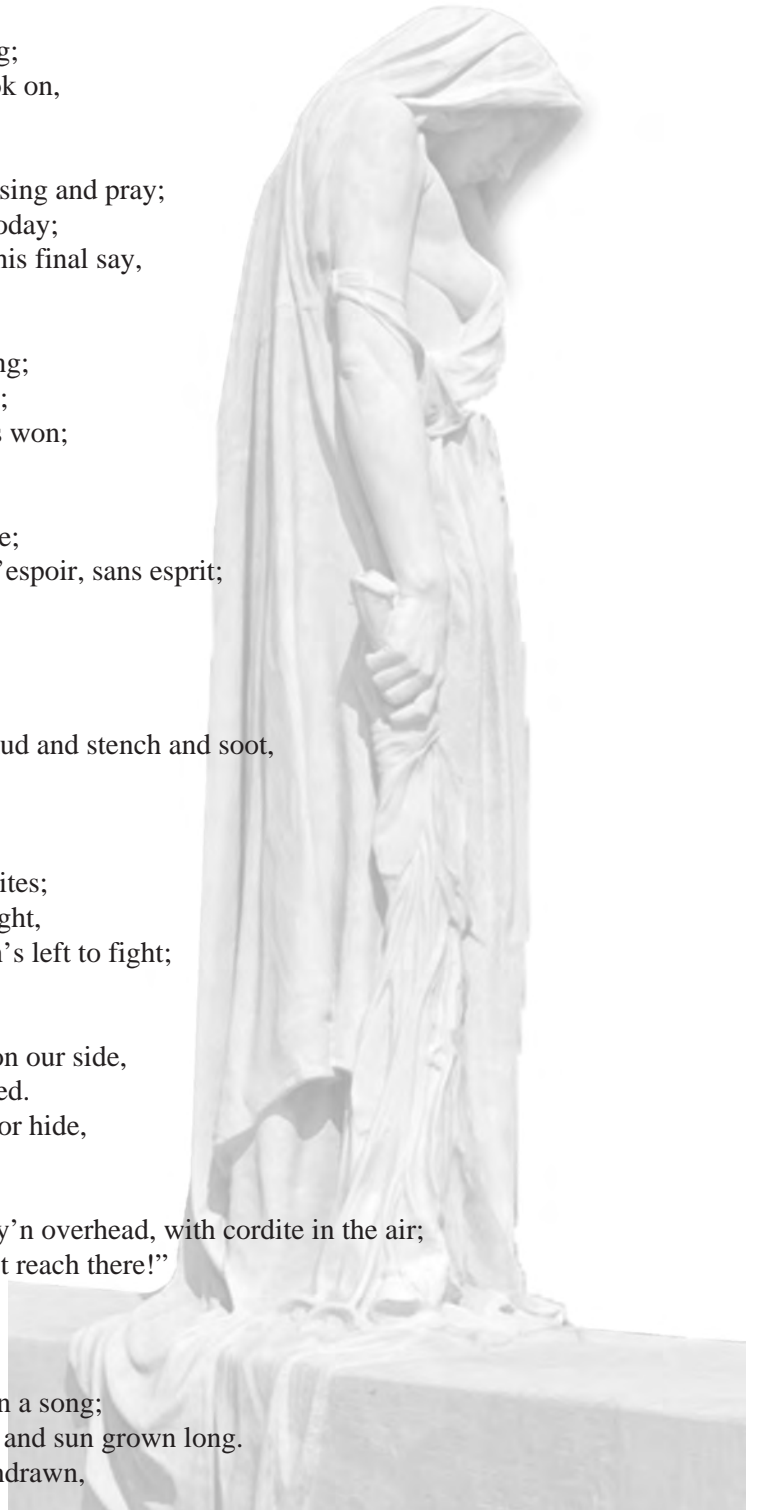

Climb up the hill at any cost, take 'er foot by foot,  
Through blood and guts and body parts; through mud and stench and soot,  
Until the enemy gives in, or 'til the ridge took;  
It should be ours today.

Inch by inch, man on man, cringing through their sites;  
The fight goes on at any cost, the ridge is ours tonight,  
Or tomorrow morn' the scourge goes on, 'til no man's left to fight;  
On and on each day.

Leaping, pounding thwarting, charging, “will” be on our side,  
Redeeming usurpations, avenging those who've died.  
The soldiers grit, “Oh Canada!”; We won't retreat or hide,  
On this or any day.

Go, go, go unto your death, despair; with bullets fly'n overhead, with cordite in the air;  
Until the Germans one by one, give way. “We must reach there!”  
Tripping o'er the ridge this hour;  
The Germans cannot stay.

Victory isn't sweet, or light hearted, nor captured in a song;  
It's clamour brought to silence, winds drawn weak and sun grown long.  
Across the Douai Plain we stare; Our enemy's withdrawn,  
From Vimy Ridge today.
