## President's Message

As President of Saskatchewan Command I would like to take a minute or two to thank you for your support of our Military Service Recognition Book. This book has been published since 2008 honouring our Veterans who have served their Country overseas and at home. This service has been in our Military and also the Police Officers who serve us every day.

I feel we really need to dig deep into ourselves and make a real effort to talk to our Veterans and ask them to either submit a picture of themselves or another person who has served or is serving and send that along with a short write-up about themselves or the other person to Saskatchewan Command, so we can give the honour that is due to the Veteran.

Also there are so many new Veterans that are not submitting their picture and information to us and we really feel that they are every bit as important and are also Veterans because of their service to Canada and all of us.

Please help us remember all those who served because "WE MUST REMEMBER THEM".

Keith Andrews  
Provincial President  
Saskatchewan Command  
The Royal Canadian Legion

## WHAT DOES THE LEGION DO?

### Veterans | Remembrance | Community

The Royal Canadian Legion (RCL) defines a Veteran as any person who is serving or who has honourably served in the Canadian Armed Forces, the Commonwealth or its wartime allies, or as a Regular Member of the Royal Canadian Mounted Police (RCMP), or as a Peace Officer in a Special Duty Area or on a Special Duty Operation, or who has served in the Merchant Navy or Ferry Command during wartime. The RCL serves Veterans and their families by providing support, referrals, representation, advocacy and financial assistance free of charge, Legion member or not.

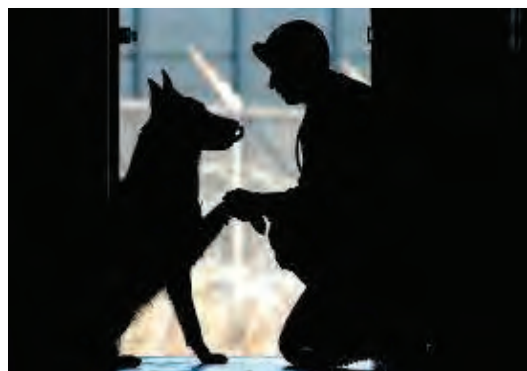

The RCL is made up of three essential pillars – **Veterans, Remembrance & Community**

**Saskatchewan Command** is the Saskatchewan division of the Royal Canadian Legion. The Saskatchewan Command head office is located in the city of Regina and works closely with its Executive Council, 165 Provincial Branches, members and communities around the Province to support Veterans, Remembrance and Community.

*“Remembering yesterday. Serving today. Adapting for tomorrow.”*

### Veterans

Veterans are encouraged to reach out to their local Legion Branch for any kind of assistance or support that is needed. This can refer to something physical, medical, environmental, emotional, psychological and much more. Through the Branch, the Veteran will be put in contact with a Branch Service Officer. Any information shared with a Service Officer is and always will remain confidential. Veterans can also contact the Provincial Service Officers (PSO) located at the Sask Command’s head office in Regina at 306-525-8739 or toll-free 1-866-471-8387. Service Officers conduct needs assessments based on each Veteran’s individual situation. Next a plan is developed working with the Veteran to help him or her move forward in their life. This often

includes a community and team effort of businesses, health professionals and other service organizations. A plan could include a Service Officer helping a Veteran fill out paperwork or make a claim through Veterans Affairs Canada, connecting a Veteran to health or mental health professionals, help with moving or finding housing, financial assistance with bills or groceries. They also help to provide essential items that can improve a Veteran’s quality of life such as hearing aids or a wheelchair. A Service Officer can simply be a friend to talk with.

Provincial Service Officers will liaise with Veterans Affairs Canada to assist Veterans in receiving benefits they are entitled to. Our service is free of charge and available to all Veterans whether they are a Legion member or not.

Here are the Programs that are currently available through Saskatchewan Command;

**Leave the Streets Behind** – This is the Legion’s National homeless Veterans program. The program’s mission is to reach out to homeless Veterans and those at-risk of homelessness and provide them with immediate financial assistance and support. It also connects them with social and community services to establish a long-term solution to meet their needs. Sask Command works closely with Veterans Affairs Canada, shelters and community organizations to get Veterans off the street and into temporary and/or long-term accommodations. Through the Poppy Fund, housing support is provided through financial assistance for items such as first and last month’s rent, rental arrears and furnishings.

## WHAT DOES THE LEGION DO? ...continued

**Wellness Program** - This new program was designed to assist Veterans in their journey to wellness. While insurance plans and Veterans Affairs Canada can offer treatment benefits for psychiatric and physical conditions, rarely will they cover activities that are not of a medical nature such as a gym pass, yoga class or use of a sweat lodge. There is a never-ending list of wellness activities and initiatives that could be beneficial to someone based on their needs. The assistance provided in this program helps the Veteran by reducing their symptoms. Taking better care of wellness can help to result in reducing symptoms such as stress, anxiety, depression and PTSD.

**PAWS for Veterans** – PAWS for Veterans serves two main purposes; to raise funds to provide Service Dogs to Saskatchewan Veterans and raising public awareness and education about Service Dogs. Through this program the Legion sponsors trained service dogs and assists to pair them with qualifying Veterans and their families. As the use of service dogs expands into many medical areas, there is a growing need for the general public to understand the role of these highly specialized dogs with their handlers. Some types of specialized training can include; PTSD, seizure, mobility assistance, diabetic alert, hearing assistance, heart attack & stroke and much more.

**Mental Health First Aid Veteran Community** – This thirteen-hour Course focuses on the basics but is also tailored to the needs of Veterans and the people who care for, and about them. The program is designed to help members of the Veteran Community developing a mental health problem or experiencing a mental health crisis. It does not train people to become counsellors or therapists and just like with physical first aid, we need to ensure that those most in contact with members of the Veteran Community can identify an emerging mental health problem and respond effectively in the event of a crisis. Who should become certified in this course? Veterans, family members, relatives, friends, volunteers and other caring community members, former RCMP members, health professionals and providers of Veteran services

**OSI-CAN** – OSI-CAN is an Operational Stress Injury/Post-Traumatic Stress Support Initiative. Created in January 2016, as a partnership between the RCL Sask Command and the Canadian Mental Health Association Sask Division. This network of service supports includes such things as; referrals into Centres of Excellence, professional counseling, life-skills training, addictions programs, equine-assisted therapy, service dogs, PTSD Coach Canada Mobile App, psychosocial rehabilitation, vocational training, pharmacist assistance, recreation programs, housing supports, family preservation services, veterinary support for service dogs, supportive websites such as Mood Disorders Canada, PTSD support, phone in support and much more. The network of supports continues to grow as individual needs are identified.

## Remembrance

**Poppy Campaign** – Every year, from the *last Friday of October to November 11<sup>th</sup>* tens of millions of Canadians wear a Poppy as a visual pledge to honour Canada’s Veterans and remember those who have sacrificed for the freedoms we enjoy today. While the Poppy is distributed freely to all who wish to wear one, the Legion gratefully accepts donations to the Poppy Fund. The Poppy Campaign is very much a local initiative, conducted by Legion Branches in cities, towns and communities across the country. Donations collected during the Poppy Campaign are held in Trust at the Branch level to directly support Veterans and their families within their community and to help ensure Canadians ‘never forget’. The RCL, since its inception in 1926, has become known for its annual organization of the November 11<sup>th</sup> Remembrance Day Services and Events. The

Poppy Campaign also features a new **Digital Poppy**. The Digital Poppy can be found online at [www.mypoppy.ca](http://www.mypoppy.ca). Canadians who donate online will receive a Digital Poppy in Remembrance of a Veteran of their choosing.

**Poster & Literary Contest** – For over 50 years, the RCL has sponsored annual Poster & Literary Contests that are open to all students in the Canadian School System. The students who participate in these contests continue to promote the tradition of Remembrance amongst Canadians. Contests start at the Branch level in October, with winning submissions moving up the Legion ladder. Eventually fourteen entries from Saskatchewan Students are submitted to The Legion Foundation in Ottawa for judging. The names and entries of the National winners are published in a booklet sent out by Dominion Command. First Place Winners are displayed in the Canadian War Museum from July 1<sup>st</sup> until May 1<sup>st</sup> of the following year. Second Place Winners and any honourable mentions are displayed in the foyer of the House of Commons during the annual Remembrance Day period. The Legion also sponsors a trip to Ottawa for the Senior Winners to attend the National Remembrance Day Service where they can place a wreath on behalf of the youth of Canada. During this time, students are given the opportunity to meet and visit with the Governor General.

**Teaching Guide** –The RCL has created the Teaching Guide to assist Primary and Secondary Schools with teaching students about the tradition of Remembrance and our Military History. The Guide is there to help Canada's Educators develop an understanding and appreciation for Remembrance Day and encourage youth to participate. The Guide includes concise notes on Canadian Military History, notes on the RCL, important Canadian symbols, stories, songs and poems containing a Remembrance theme, information about the Poppy Campaign and how the money donated is used, National Poster and Literary Contest information, as well as suggested School Remembrance activities.

**R.E.D. Shirt Friday** – Join us every Friday as we show support for our troops by wearing RED. T-Shirts and Hoodies are available to purchase through your local Branch or at the Saskatchewan Command head office. Sizes Small to 5X-Large are available.

### *“Remembering Everyone Deployed”*

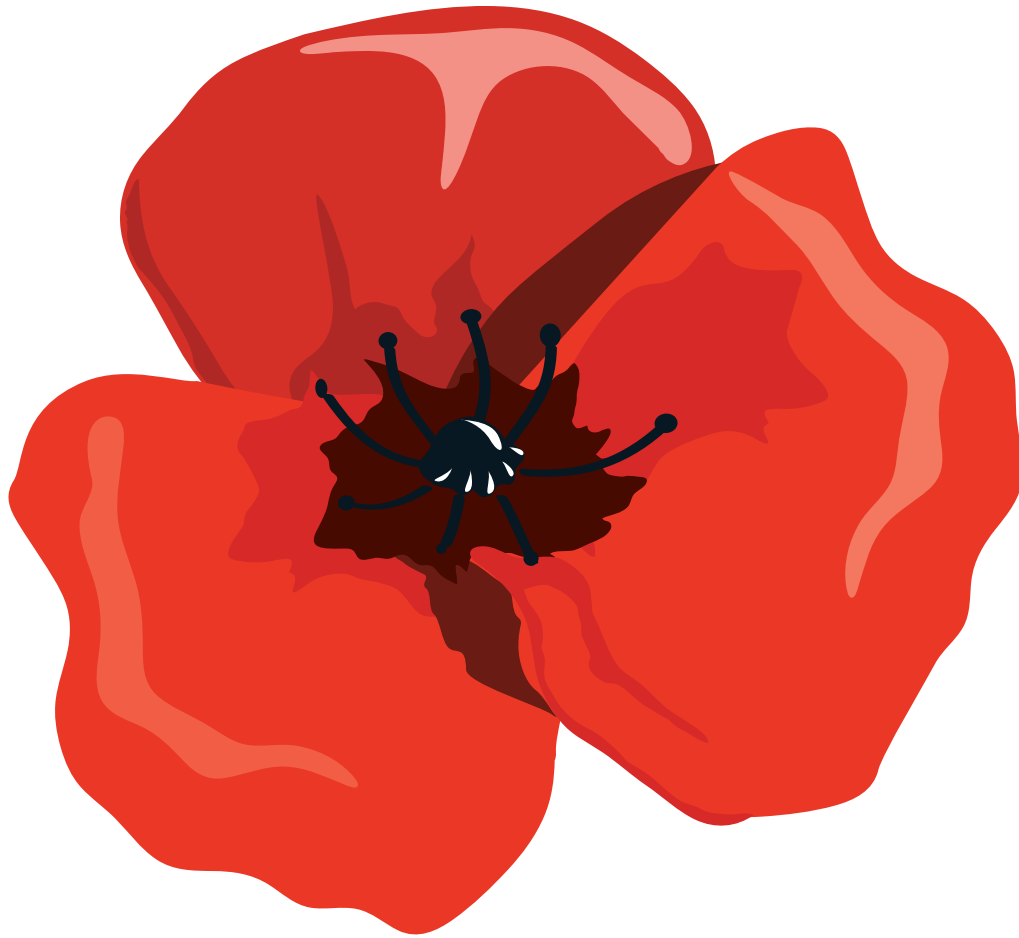

**The Military Service Recognition Book** - All Veterans, families and branches are encouraged to submit pictures and short stories for inclusion in one of these commemorative books, free of charge. Please consider completing a form on your loved one and send it to our head office along with a picture of the person to be included. A Provincial telephone appeal also takes place on a yearly basis to request support for this project. Businesses will be asked to purchase advertising space and private citizens will be contacted as well to request support for this important initiative of the Sask Command. Proceeds raised will be used by the Legion to improve services to Veterans and the more than 200 communities that they serve throughout the Province.

**Last Post** – Legion Magazine publishes the Last Post annually during the Remembrance Day period. This free service recognizes those who have served their Country and allows readers to learn of the passing of Comrades with whom they served. Last Post is reserved for Ordinary Members of the RCL at the time of death, RCL Life Members who were previously Ordinary Members and Canadian War Veterans who were not Legion Members at the time of their death. The RCL relies on Branches to provide the Last Post information. Entries are also added to the searchable Last Post database at [www.legionmagazine.com](http://www.legionmagazine.com).

**Thomega Entertainment Presents: Canada Remembers** – Thomega's Premier Documentary (one of seven war related) produced since 2000, *Canada Remembers: A Veterans Reunion* aired nationally on various productions. This project has earned recognition nation-wide for its in-depth and sensitive approach to our Canadian War Veterans. The program was endorsed by the Deputy Prime Minister Herb Gray with a special public presentation made to the producers. The program is now a key curriculum tool in Schools across the Country. During 2002-2005, Thomega Produced a thirteen-part Television Series (49 shows total), titled *Entertainment West*.

Branches also continuously promote Remembrance by maintaining the many Cenotaphs, Monuments and Graves of Veterans throughout the Province.

## Who We Are

OSI-CAN is an Operational Stress Injury/Post Traumatic Stress Support Initiative. We were created in January 2016 as a partnership between the Royal Canadian Legion Saskatchewan Command and the Canadian Mental Health Association Saskatchewan Division.

We are current members and veterans of the Canadian Armed Forces, Allied Armed Forces, and first responders who include the RCMP, Municipal Police Services, Emergency Medical Services, Fire Protection Services, and Corrections.

One of the greatest strengths of our program is that **no formal diagnosis or referral** is required. Our support groups provide a safe environment free of judgement and criticism and the **identities** of participants are kept strictly **confidential**.

## What Is Recovery?

“**Recovery** does not mean cure. Rather recovery is an **attitude**, a **stance**, and a **way** of approaching the day’s challenges. It is not a perfectly linear journey. There are times of rapid gains and disappointing relapses. There are times of just living, just staying quiet, resting and regrouping. Each person’s journey of recovery is unique. Each person must find what works for them. This means that we must have the opportunity to try and to fail and to try again.”

—Patricia Deegan

### According to the Recovery Model...

**Recovery** is the process of gaining control over one’s life and the direction that one wants that life to go. It is the process of “recovering” one’s strength and identity after a diagnosis.

**Hope** is the belief that the ability and opportunity exists to engage in the recovery process.

**Family** is used to describe a person’s chosen circle of support, or “family of choice.”

# MUSKEG LAKE CREE NATION

## Muskeg Lake's History

Muskeg Lake Cree Nation has a long and rich cultural history. First established in 1881, the core reserve is still home to approximately 367 community members (MLCN Health Records, June 2011). 1,481 additional members live across Saskatchewan and Canada, yet they are still proud to call Muskeg Lake their home and community.

### We Are Our History

Our veterans have played a significant role in the ways we have developed as a community. When community members enlisted for WWI, WWII, the Korean conflict and Peace-time service, they came back changed—not only by war, but by having their eyes opened to the

ways of the world outside the reserve. This shift in perspective has forever changed the way we see ourselves as a community.

In the second half of the 20th century, two agreements—Asimakaniseekan Askiy in 1988 and the Treaty Land Entitlement (TLE) Trust in 1992—led to the growth of Muskeg Lake. These agreements generated a need for the community to reach outward to surrounding governments and municipalities and bring us into a process of community consultation, something which had never before happened. The TLE Trust led to the acquisition of urban and agricultural lands, which fostered economic development for the community through land leasing and entrepreneurial growth.

Today, we look back on a proud history that we owe in great part to our veterans and to the community leaders who have changed the way we see ourselves as a community and in the larger world.

# Table of a Fallen Soldier

The tradition of setting a separate table in honour of our prisoners of war and missing comrades has been in place since the end of the Vietnam War. The manner in which this table is decorated is full of special symbols to help us remember our brothers and sisters in arms.

The Table of a Fallen Soldier is set in the hall or dining room, where guests can see it, but where it will not be in the way.

## *The table is smaller than the others*

symbolizing the everlasting concern and remembrance for our fallen comrades.

## *The white tablecloth*

draped evenly represents the purity of their motives while answering the call of duty.

## *The empty chair*

representing the missing comrade.

## *The single place setting*

represents your wish that the fallen men and women of the armed forces could be present at the happy occasion with you.

## *The white candle*

representing the light of hope/light of life.

## *The single red rose*

represents the blood shed/the families who love and keep faith with the men and women who serve.

## *The ribbon*

represents loyalty in waiting for those who are serving away from home, while a red ribbon symbolizes the memory of and search for those missing in action.

## *The slices of lemon*

on the bread plate represent the bitter loss of the life of the fallen soldier.

## *The salt upon the bread plate*

represents the tears of their families.

## *The inverted wine glass*

placed to the right of the plate, represents the fact that the fallen comrade will not be able to participate in the happy toasts at this event.

# *Thank you*

for your service

We are grateful for the service and sacrifice of veterans who have fought and continue to fight for the people of our province and our country.

*Hymn used by the 10th Can. Battalion  
after Vimy Ridge at their Thanksgiving  
Service May 13/17.*

Great God of nations, at Whose Will,  
Proud sceptred Empires wax and wane  
Defend our Empire's people still  
Unsheathe Thy sword for us again  
For liberty and right we stand  
O God arise stretch forth Thy hand.

Great God of battle steel their heart,  
Who serve by land, and air and sea;  
With honour let them play their part,  
With duty let their service be,  
Gainst cruelty and wrong we fight,  
O God arise put forth Thy Might.

O God of pity be Thou nigh,  
Where lurks the sunk death-dealing mine,  
Where blazing roof-trees flush the sky,  
In reeking trench and shattered line,  
For Motherhood and King we fight,  
O God arise maintain the right.

O God of mercy be our shield  
And hear our dear ones far away;  
For thym we stand on blood stained field,  
For us they wait at home and pray,  
To Thee we turn, to Thee we cry,  
O God lead on to Victory.

Amen.

This poem was first recited at a Service, 13 May 1917, only three weeks after Vimy Ridge: 10th Battalion, First Canadian Division. This hymn was found in the personal possessions of Brigadier-General Danial Mowat Ormond. At this time he was still a Lieutenant-Colonel, 10 Battalion, CEF.

A museum quality replica was donated to Saskatchewan Command by Dr. Paul Kavanagh in an effort to provide the best opportunity for everyone to view it. The original copy of the hymn is held at the Canadian War Museum.

# Davidson Branch 51 Erects New Monument

Approximately twelve years ago, the Davidson Branch No. 051 decided to sell their Legion Branch, but all the photos, plaques, etc. were put into a Legion Museum. Davidson Branch got into a room in their local town library where they now have their meetings. It was decided that the remainder of the money from the sale of the building belonged to the men and women that had served the Branch over the years. Comrade Gordon McRae then started to collect names from Davidson, Girvin and Bladworth, SK; as well as the surrounding areas that had served and are currently serving our country; as well as RCMP.

After ten years of research, Comrade McRae collected 615 names. These are the names of the men and women who returned home and served the local Branch. The monument is 5 feet, 6 inches high with names on all four sides. Davidson Branch had their unveiling on July 1, 2017 with Chairperson Comrade McRae and the last POW Veteran of World War II, Comrade Alf Stulburg.

The Branch was very surprised by the people in the community who gave generously to cover 73% of the cost of the monument. It made the Branch feel good for all the work they had done for this Canada 150 Project to let the Legion Veterans' names live forever.

His troop arrived in England on Christmas Day, 1941, where they were fed tripe for dinner. He was stationed at an RAF heavy bomber base in Yorkshire called Topcliffe. The RCAF played a key role on the base until the final mission on April 25, 1945.

Elsie Fish was born on September 20, 1921. Her parents were Jack and Margaret Fish. She joined the Women's Auxiliary Air Force and worked in the ammunitions area, loading belts with bullets. Elsie was described as "an attractive spunky English gal from Tottington."

Elsie and David Beattie met at the base and hit it off from the start, going on bike rides and to base dances. They were married on August 26, 1944 in Tottington and enjoyed a brief honeymoon at Loch Lomond.

When David returned to Canada, he worked at the War Records Office in Winnipeg until Elsie was able to join him in February 1945. A typical war bride, Elsie travelled by ship to Canada to meet David in Winnipeg. From there, they travelled by train to Anerley in February 1945, where they farmed on Nithsdale farm near Dinsmore, and raised their three daughters: Josephine, Marlene and Judy.

In his sixties, David took up water and downhill skiing. He and Elsie retired to Outlook where he died on January 1, 2011 at the age of 91. David was a long-time member of The Royal Canadian Legion.

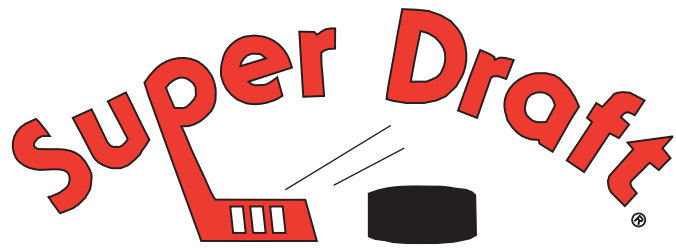

Elsie passed away on March 28, 2013, also at the age of 91, and is buried in Hillcrest Cemetery southeast of Dinsmore.

He was the nephew of August Alfred Beckwall who died on November 3, 1918 while serving with the Canadian Infantry (Saskatchewan Regiment). Not much is known about Leroy, but Mr. McKay, the high school principal, wrote a stellar letter of recommendation for this young man, indicating Leroy had been Troop Leader for the Radville Boy Scouts. He was also King's Scout with a considerable number of proficiency badges. Mr. McKay also mentioned that Leroy was a good athlete. On December 5, 1942, Leroy was with Ferry Command in Dorval, Quebec, and was killed when his Hudson aircraft stalled and crashed on landing in Houlton, Maine. He was ferrying planes from Maine, USA, to England. Sergeant Beckwall was twenty years old. He was buried at Radville Laurier Cemetery. Walter survived the war.

**BROWN, Eric Harry**

**WWII**

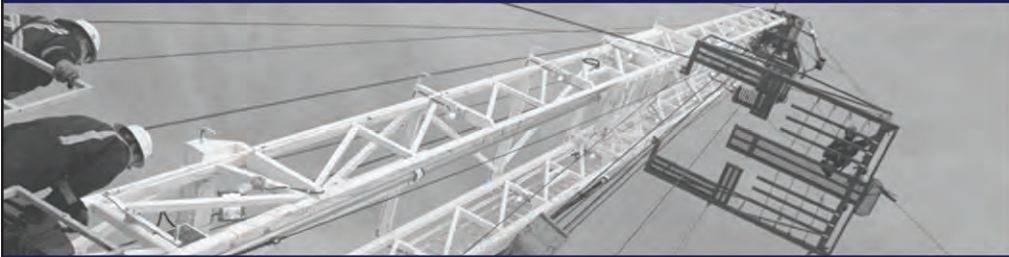

Eric was born in North Battleford, Saskatchewan in 1922. He enlisted in the Army and served during World War II as a Private in Canada, England and France. According to a telegram, he was missing in action. Next, word came by letter about the day he was captured. Panther tanks came over a hill and mowed the soldiers down like wheat. He and another comrade stopped to assist a soldier shot in the leg and could not run. All three were captured, had injuries and were sent to a hospital in Paris. The nuns in the hospital did the best they could with the few supplies they had. They warned the men when the Germans were coming for an inspection. If you were well enough you were sent to a concentration camp. Eric was told by the doctor he could not live on the prairie with the cold winters, as he had little feeling in his arm wound and it would quickly freeze. His father sold the farm and the family moved to Kelowna, BC. After service, Eric worked in an orchard which greatly improved the strength in his arm to a point where he received very little pension and was able to make his own living without it. Eric then took up a fourteen-acre parcel of land through the Veterans' Land Act and had an orchard of his own. He passed away in June 2017 at the age of 95.

Emma and George already had a four-year-old girl named Elizabeth. They went on to have two more babies. George Jr. was born in 1916. When Emma was pregnant with her fourth child, World War I broke out. Emma gave birth to a baby girl, Nora, while her husband was fighting for their peace and liberty. He never did get to see his new daughter. Sadly, he was killed while marching with his troop along a gravel road in France. He stepped on a land mine that was hidden by the enemy under the gravel on the road. Emma was left to raise her four children alone. She taught them at a very young age why their father risked and gave his life for them – for England.

When Robert was fourteen years old, two Canadian men came to his school in Northumberland, England, to promote farming opportunities in Saskatchewan. The speakers described it as a beautiful country with majestic Rocky Mountains and miles and miles of prairie lands ready to be farmed, they were told that they could get land if they were willing to go to Canada and work the land. Robert and two buddies boarded a ship bound for Canada as soon as they turned fifteen. The boys arrived in Halifax, at Pier 21, from there they boarded a bus. It stopped at Moose Jaw, Saskatchewan. The year was 1929, when the boys were told they

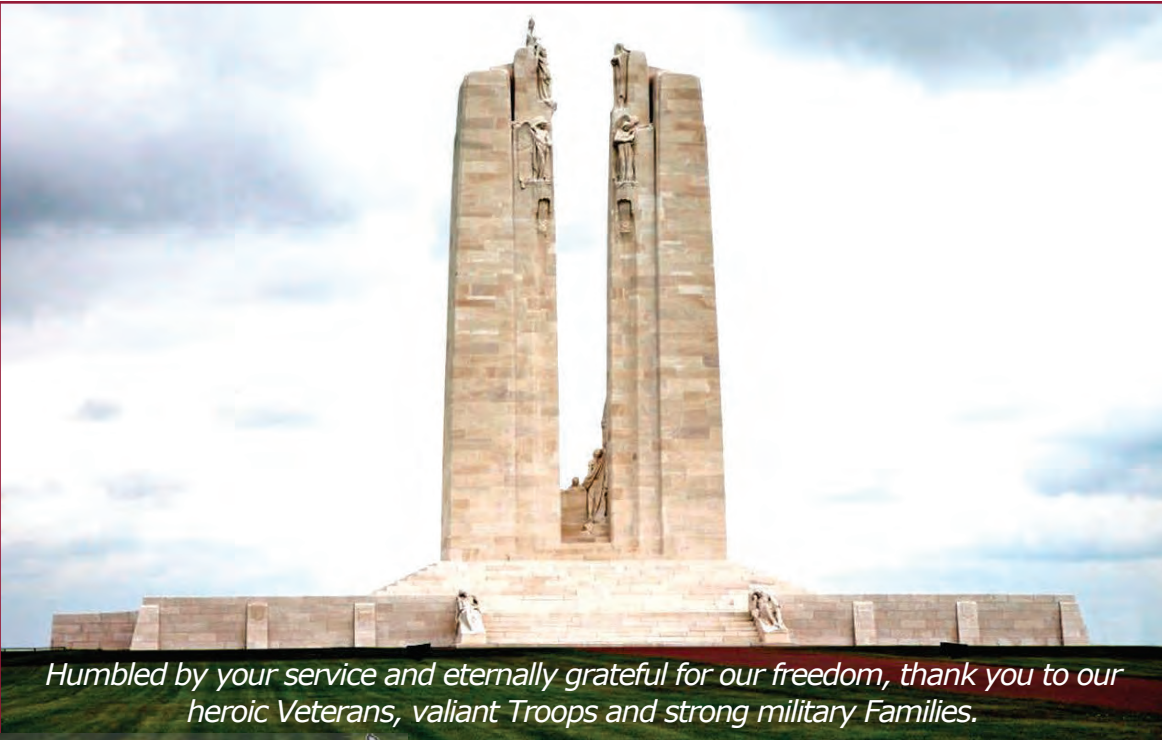

had arrived, they looked about and saw dirt blowing so thick they couldn't see in front of them. Where were the golden prairies they were told about? The Dirty Thirties were blowing their way in. Robert's two buddies felt deceived and were returning home. Fortunately, Bob had an uncle, Walter Coates, who took him to Macrorie, Saskatchewan, to help on the farm, where he worked for about ten years. His plan was to work on his uncle's farm and eventually get a piece of land of his own.

Then, World War II broke out. Robert, like his father, felt it was his duty to defend his country's peace. He went to Saskatoon and signed up as a soldier to train at the Dundurn Military Camp. He soon became a machine gun instructor and a Sergeant. Robert Henry Chapman signed up with the Saskatoon Light Infantry. He packed a wee bible into his army uniform and carried it all through the war. Robert prayed for, and with, individual men in his troop. He also carried a harmonica. He led the soldiers in hymns when they needed comfort and strength. He played fun songs when they needed to relax and laugh.

While on the Island of Sicily, his battalion received orders to march into Italy northward. Italy's leader, Mussolini, needed the help of the Canadians and Americans who were nearby. Mussolini had been fighting off the Nazi soldiers for months. The plan was that the Canadian soldiers would camp in the valley just south and below an old castle on a mountain nearby. Sadly, the Italian leader, Mussolini had just surrendered to the German Nazis. The Canadian soldiers didn't know it, but the German enemy soldiers had been setting up their machine guns to prepare for a sudden attack on the men sleeping down in the valley below them. The poor Canadian and American boys were asleep when the sound of machine guns awakened them at 4:00 a.m. Robert and Harold Ashley, a comrade in the tent, ran for cover in the grape vines nearby. Robert and his friend hid and kept still and quiet for three days. Eventually Robert and his buddy met up with their army's tanks. It was an event that shook Robert Chapman to his core. He and Harold became friends for life. All of those soldiers who were killed in that attack were buried right in that very valley where they died. Many tombstones said, "Died at age 20". Many boys were from Saskatoon, Saskatchewan.

A most amazing thing happened when the troupes were liberating Holland! It was near the end of the war when Robert arrived there. The Canadians fought valiantly to liberate the Netherlands and free the Dutch people. The

## CHAPMAN, Robert Henry *(Continued)*

Canadian army tanks were driving up and down every street declaring that the war was over, and the people were finally coming out of hiding. Robert knew he had to go down into the dark basements as some people were too scared to come out into the sunlight.

In the basement of one war-damaged building, Robert discovered a small boy crying all alone. His parents had died. The little boy was scared of Robert. He didn't know an enemy from a friend. Robert gave the boy a leftover partial stick of gum. Robert carried the little boy to the tank outside. They dropped the little boy off at the rescue nursing station which was setting up nearby. Robert said good-bye to the little boy and gave the boy the small bible that had been in Robert's pocket all through the war. He pointed out that on the inside front cover was his full name, service number, regiment number and name. He said, "My name is Robert" as he

pointed at himself. The child replied, "Vim", as he pointed at himself. That was the only verbal communication they had. However, the bond between them was felt, it was an emotional parting.

Robert returned from the war, back to Saskatoon. There, Robert met a wonderful woman named Myrtle Moncrief. They married on August 3, 1946. They had a daughter, Lorraine Roberta, on December 19, 1949, and a son, Dennis Robert, on October 28, 1957.

Robert received a letter in the mail one day from Holland. It was from Vim! Twenty-four years had passed since Robert saved Vim, who had always cherished that little bible that the kind soldier gave to him that day. Inside the front cover of that little pocket-sized bible was the soldier's name and it also said Saskatoon Light Infantry and it had Robert's ID number and his regiment numbers. With research, the grown-up Vim (actually named H. William Dekker) was able to contact Robert Chapman. Very soon after the phone calls, Vim of Amsterdam, Holland, brought his wife, Anne, to Canada to visit Robert and his wife, Myrtle.

Robert always reminded his children that he went into that war to make a better world for them and their mother. Robert valued his freedom and right to be happy and to enjoy peace. Democracy for Canada. That is what the poppy means to us now. Robert and all the soldiers fought to defend and protect our freedoms and rights. Let's recognize our wonderful Canadian life and let's make Canada a good safe place for all. Let's always remember the Veterans past and present. A poppy means 'Lest We Forget'.

**GEORGE, Albert Ronald**

**WWII**

Albert was born in May 1910 on the homestead in Willow Bunch, Saskatchewan. In 1942, Albert joined the Army and served overseas with the Perth Regiment. He was killed in action in northern Italy on December 10, 1944 at the Senio River. For most casualties, this is their second grave having been recommitted from a battlefield site to a Commonwealth Cemetery after the end of World War II. His memorial headstone reads "Greater Love Hath No Man Than This - That A Man Lay Down His Life For His Friends". His eternal rest is Plot 6 Row E Grave 5. Ravenna was taken by the Canadians in December 1944 and many burials reflect the fighting for the Senio Line. Following the fall of Rome to the Allies in June 1944, a series of successive stands were made by the retreating Germans. The cemetery's location is Lat.44.441525 Long.12.107673. It is open permanently and may be visited at any time.

**GERMAN, Beanus Michael**

**WWII**

Beanus was born in Kerrobert, Saskatchewan, in 1919 and grew up on a farm in the Luseland District. He enlisted in Regina on April 9, 1942 and was discharged on February 4, 1945. According to the Canadian Pension document, the reason for discharge was due to Bronchial Asthma which pre-existed prior to his enlisting. He injured his back in the army when he rolled a jeep. Beanus' rank was Private and served as Infantry Rifleman. He took basic training in Dundurn, SK, and served in Nanaimo, BC. Beanus passed away in 1984.

**GERMAN, Bernard Steven**

**SPECIAL DUTY AREA**

Bernard was born in Kerrobert in 1937. He enrolled in the Royal Canadian Air Force on October 12, 1955. He took his basic training at Saint-Jean RCAF station in Quebec and at Camp Borden in Ontario. He signed up for three years initially but signed up for an indefinite period in 1965. His first posting after training was to RCAF Station Saskatoon (406 Squadron) in 1956. His next posting was to RCAF Station Rockcliffe in 1961. Next, he was posted to CFB Station Rivers in 1964, CFB Portage la Prairie in 1970 and CFB Comox in 1977. He was promoted to the rank of Corporal on October 1, 1966; to Master Corporal on May 1, 1973; and to Sergeant on June 8, 1978. Bernard died of a heart attack on November 1, 1979, in his last year prior to retirement. He was awarded the Canadian Forces' Decoration and Bar for his years of service. He was an Aero-engine Technician. He didn't serve overseas. The closest he came was in 1959 when he was part of a crew that ferried a fleet of expeditors over to our bases in Germany and spent a short time in the Azores. He was always willing to support his fellow servicemen to the point of counselling them in a difficult situation.

**GILBERT, Edward James**

**WWI**

Edward was born in Petrolia, Ontario, on December 15, 1889 to Carleton and Annie Jane Gilbert. His parents, originally from England, moved from Ontario to homestead near Bratton in 1906. Edward was attending Regina College when he enlisted in Regina on March 9, 1916 with the 203<sup>rd</sup> Overseas Battalion of the Canadian Expeditionary Force. He served in the Signal Pool in France. Edward was also a member of the Signal Company Concert Party, one of about thirty troupes that entertained front line soldiers in France. The Canadian War Museum reports that by the Battle of the Somme in 1916, military authorities were encouraging and organizing concert parties for the soldiers during their periods of rest. By war's end, almost every division had its own entertainment troupe, as well as performers in many of the units and formations. Soldiers were entertained by songs, skits, and cross-dressing vaudeville acts. Edward arrived home in Halifax on June 13, 1919 and was discharged on June 16, 1919.

**HUGGINS, Frederick William “Fred”**

**WWI**

Frederick William Huggins was born in Indian Head. His attestation papers state that his date of birth was August 12, 1897. However, his discharge papers on October 16, 1917 indicate that the reason for discharge was “being underage.” In any case, Frederick enlisted as a bugler in Calgary on September 22, 1915. He wished to follow his three older brothers who had enlisted earlier. He sailed from Halifax on May 20, 1916 for Europe aboard the Empress of Britain. Frederick saw action in France. He served two years and sixteen days. After one of his brothers was killed and the other two were injured, his mother, Louisa, petitioned to have Frederick released from the Army. He was discharged on October 16, 1917 and returned to Calgary. He later moved to Outlook when he was transferred by his employer, CPR.

**HUGHES, Lewis Morris “Lu”**

**WWI**

Lewis was born in 1895 in London, England, one of the twelve children born to Daniel and Martha Hughes. In 1905, the family immigrated to Maidstone, Saskatchewan. Lu homesteaded nearby at the mouth of the gully at Standard Hill. He served overseas in World War I, joining the 188<sup>th</sup> Battalion of the Canadian Expeditionary Force in North Battleford. In 1920, he sold his farm to his parents and moved to British Columbia. He worked and lived in British Columbia and Alberta for the rest of his life. Lu passed away in 1953.

**HUME, Verl**

**WWII**

Verl was born on September 10, 1910. When the war broke out, he joined the Royal Canadian Navy and was posted to Newfoundland, where he served as a stoker. He was discharged in 1946 and returned home to Saskatchewan to farm. He purchased the former Doughty farm and in 1947, was hit by lightning while plowing and was killed.

**HUMPHRIES, Ernest “Ernie”**

**WWII**

Ernie was born in the Taylorton District of Saskatchewan on July 18, 1899 to Thomas and Ann Humphries. He lived with his parents and received his education at Moose Creek School. Ernie worked for his brother, George, and also worked for several other farmers in the district. Ernie joined the Armed Forces when the Second World War broke out and served in a Fire Brigade. He was discharged in 1945 and returned to Carlyle where he worked for Rusty Kerr. Ernie passed away on October 11, 1978 and is buried at Moose Creek Cemetery.

**HUNT, Bruce Alexander**

**WWII**

Bruce was born in 1910, in Moosomin, Saskatchewan. His parents, Isabella and William Hunt, adopted a three-month-old baby girl, Phyllis Mitchell, in 1920. Bruce was briefly married in 1932 but his wife died tragically in 1933 while giving birth to their first child. His father William Hunt also died in 1933.

Around 1935, Bruce moved to Radville with his mother and sister, his brother Don, and Don's wife Ethel. Don worked on the power lines and Ethel ran the telephone office. Phyllis (Toots) later married Walter Nimegeers, son of Prosper and Julianna (VanDeSype) Nimegeers.

When the war started in 1939, Bruce enlisted with the Royal Canadian Engineers. He was 29 years old when he went to England.

On September 22, 1942, Bruce wrote home to his sister Phyllis stating: “That picture I sent home of our transport some time ago, well most of them never came back off the raid at Dieppe so I guess I was fortunate in not being there as I went to the hospital on the Sunday before – but I would sure liked to have been there.”

And again, on February 24, 1943 (three days before his death), he wrote to Phyllis saying: “I’ve been pretty busy this last while. The fellow that was with me as a mechanic was sent out, he had bad eyes and I guess he won’t be back, so I don’t know who I’ll get next to work with me. It sure is a lot of work when you are alone.”

On February 27, 1943, Bruce was killed by a fractured skull sustained by being knocked down by a motorcycle while walking on the road. It was accidental. He was 33 years old.

Bruce is buried at the Brookwood Military Cemetery in Surrey, United Kingdom.

A year after his death, a lady named Annie Steer would write to Phyllis on April 17, 1944 saying: “I was over to visit Bruce’s grave on the anniversary of his death and placed a wreath there for you. Perhaps you would like to know that it was made of laurel, carnations and daffodils. Since I was there last, they have erected a flag staff, with the Canadian Flag flying and Bruce’s grave is almost under it. It seems really hard to believe he is there, he was always so full of life, and one feels so very sorry indeed for all the Canadian mothers and families, who’s loved ones rest over here. There are so many in the Canadian military cemetery at Brookwood, but everyone over there can be certain that no better place could have been found anywhere and there are always Canadian soldiers taking care of their own “Garden of Remembrance”, as we call it over here.”

## Walter Nelson Julseth and Ethel May Wood *A Canadian Veteran and His War Bride*

Walter was born in Loverna, Alberta, on December 3, 1919. He joined the RCAF in May 1941 and trained in Moose Jaw, Saskatchewan. He left for Liverpool, England, in December 1941. After postings and training courses in Syerston, Balderton, Leeds and Leeming, he declined an offer to be an instructor for Air Frame Mechanics and was posted to the 408 Squadron at RAF Topcliffe, close to Thirsk. At one of his postings, because of the blackouts during the war, he remembered staying in a 40' long stable with only two 60-watt light bulbs in it for the men to shave. He also remembered a thick Yorkshire accent telling him to "put wood inth 'ole luv", meaning to close the door. Life in England was very different for a prairie boy.

Ethel was born in Sunderland, England, on January 13, 1924. She joined the Women's Auxiliary Air Force in the spring of 1942 after her father signed the paperwork. Originally from Newcastle, she was posted at RAF Topcliffe near Thirsk where she drove ambulances and Commanding Officers' cars. It was at Topcliffe that she met Walter Nelson Julseth.

Their first "date" was Ethel driving Walter around the base in a heavy fog looking for a Lancaster bomber that had not returned from a mission. After their first meeting, Walter convinced her to accompany him to a dance, even after warning her he had two left feet and calling her "Red" because of her auburn hair. She later admitted that he did indeed have two left feet, but he must have done something right, as they were married in July 1944 at Barmby Parish Church, Barmby on the River.

Walter left England in late 1944, celebrating Christmas on the Queen Mary and arriving home on New Year's Day 1945. Ethel followed in May 1945 on the Britannic with many other war brides. She almost returned immediately to England after coming all the way to Saskatchewan because Walter was late to meet her train. He had met up with some war buddies and got a little sidetracked. Fortunately, he convinced her to stay and they were married for over fifty years. They farmed in Plenty, Saskatchewan, and had six kids. They stayed in the Girvin/Craik, Saskatchewan area with Walter's parents for a while before purchasing land in Plenty, Saskatchewan. Walter remained an active Legion Member after being discharged from the RCAF.

Ethel travelled back to England to visit family numerous times but was able to return to the church where they were married in the fall of 1999. Also on that trip, she was given an escorted tour around RAF Topcliffe, which was, and is still, an active base. They were more than happy to show her around once they found out she was stationed there during the war.

Ethel remained an active member of the War Bride Association throughout her life. In 2006, she was able to make the trip on The War Bride Train to Pier 21 in Halifax to celebrate the 60<sup>th</sup> Anniversary of the war brides coming to Canada.

Walter passed away on February 3, 1995 and Ethel passed away on January 9, 2015.

**KEENAN, John Edward**

**PEACETIME**

John was born in Regina, Saskatchewan, on May 1, 1932, the son of George and Elizabeth Keenan. He served first with the Sea Cadets and then joined the Royal Canadian Navy in 1951. Following basic training in Nova Scotia, he went on to serve in the north and south Pacific. In 1952, he joined HMCS Cedarwood, which was assigned to Pacific Naval Laboratories for oceanographic surveys of the inside passage of British Columbia. Following that, he was drafted in late 1953 to the cruiser HMCS Ontario and accompanied the Royal Yacht Britannia during Queen Elizabeth II's Commonwealth tour to Hawaii, Tonga, Fiji, Tasmania, New Zealand and Australia in 1954. Later, Prince Phillip, Duke of Edinburgh, would join the ship to visit Kitimat for the grand opening ceremonies of the giant generating plant at Kemano, BC. His final posting was with the University of Manitoba's UNTD division at HMCS Chippawa in Winnipeg. In 1956, John joined Canadian Pacific Airlines, now Air Canada, and served in marketing and sales for the next 36 years. John resides with his wife, Elizabeth, and family in Toronto, Ontario.

**KEENAN, Robert Donald**

**PEACETIME**

Donald was born in Regina, Saskatchewan, in 1933, the son of George and Elizabeth Keenan. He served first with the Sea Cadets and then following in his brother's footsteps, was off to sea in 1952 with the Royal Canadian Navy where he served for over thirty years, retiring as Chief Warrant Officer. Donald would find his sea legs onboard the training cruiser HMCS Ontario, the most powerful of all the great ships of war of the RCN and would go on to serve in at least a dozen other ships and shore establishments. He was a welcome addition to any mess deck where the pipe to 'up spirits' meant that wonderful salty tales and stories were about to be shared over sippers of "Nelson's Blood". He was always at home, whether in destroyers dashing about the glittering blue of tropical seas or standing watch during the cruel seas of winter in the north Atlantic. Donald loved the pomp and ceremony of all things military and sadly slipped his final berth on December 20, 2016.

**KENT, William Cornelius**

**WWI**

William was born on May 2, 1898 in Burford, Ontario, the son of Benjamin and Bertha Kent. William's father worked in the local flourmill as well as farmed. William moved to Outlook, Saskatchewan, with his parents in 1912; and, after completing his education, he joined the staff of the Outlook branch of the Bank of Montreal in December of 1914. He enlisted in Outlook on December 8, 1915, as a Private in the 128<sup>th</sup> Battalion of the Canadian Light Infantry. He went overseas in August 1916. After a short machine gun course, he was sent to France to join the 46<sup>th</sup> Battalion. On the morning of April 9, 1917, he was killed instantly by enemy fire as his section was advancing toward enemy troops in the successful campaign to capture Vimy Ridge. William Cornelius Kent is buried in a joint grave at Douau Communal Cemetery in France.

**MANN, Ronald Percy “Ronnie”**

**WWII**

Ronald Percy Mann was born on December 26, 1921 in Regina, Saskatchewan. His father, Henry Edward Percy Mann, served in the British Army from 1914 to 1919. While serving in the army he was awarded the Distinguished Conduct Medal for bravery in action. He loved to perform in the army, singing for the troops in his special English style. He came to Canada in 1920 and joined the RCMP. Marjorie and Percy were married in Regina in 1921.

Percy was in the “Musical Ride” in the early years and had duties at the Government House. His real police work started at Fort Qu’Appelle in 1932. There were three boys and one girl by that time. In 1940, the family moved to North Portal, then to Radville where two more girls were added.

When the war broke out, all three boys enlisted: Ronnie in the Air Force, Quin into the Army and Jack into the Navy. In November 1941, the dreaded telegram was received to say the oldest, Ronnie, was reported “missing in action” and later presumed dead.

Ronnie had served with the Royal Canadian Air Force attached to No. 405 (City of Vancouver) Squadron (Ducimus) as a Sergeant (Air Gunner). Based at RAF Pocklington, Yorkshire, England, the No. 405 Squadron flew Vickers Wellington bombers over the Bay of Biscay and in France and Germany.

On November 30, 1941, Sergeant Ronald Percy Mann died following air operations to Hamburg, Germany, when his Wellington aircraft crashed into the Wadden Sea off the Frisian Islands. One of 181 aircraft that took part in the bombing operation on the Hamburg shipyards, the No. 405 radioed that they were returning to RAF Pocklington when they were lost without a trace.

He was nineteen years old.

Mann is commemorated on the Runnymede Memorial in Surrey, England, for airmen with no known grave. He is also commemorated on the Bomber Command Memorial Wall in Nanton, Alberta, and on the North Portal War Memorial in Saskatchewan.

**MIDDLEMISS, W. Sidney "Sid"**

**WWII**

Sid was born in Vanguard, Saskatchewan, on May 28, 1920. He enlisted in the Air Force and served in Europe during World War II. Flight Lieutenant Sid Middlemiss flew a tour of operations consisting of thirty bombing raids over Germany, twelve of which were to Berlin, the furthest and most heavily defended target. About half of the men who set foot in a bomber never returned. He was awarded the Distinguished Flying Cross and after a leave, returned and began instructing, bringing new pilots up to 4-engine aircraft from 2. He continued to instruct until war's end. He always said that the greatest missions he flew were after the war when bombers outfitted with seats and windows allowed ground crew members the opportunity to observe the results of bombing missions which destroyed factories along the Ruhr River Valley. This was a way for pilots to show their appreciation to ground crews (seven men on the ground for every one man in the air) by 'giving the boys a view' of what their efforts had achieved. Sid passed away on November 29, 1999.

**MILLS, Roy J.**

**WWII**

Roy was born on June 8, 1921 in Swift Current, Saskatchewan. He was posted to Iceland, joining Squadron 162 in "Battle of the Atlantic." He flew Cansos with his crew of eight over the Atlantic Ocean sometimes on convoy duty, but mostly searching for U-boats. He volunteered for Pacific duty, but the war ended while he and his crew were on embarkation leave and they were discharged. He was a member of The Royal Canadian Legion. Roy passed away on November 28, 2001.

**PETERSON, Wallace Russell**

**WWII**

Wallace was born to Jens and (Inger) Marie Peterson on September 5, 1920, the youngest of ten; he had four sisters and five brothers. Wallace was a very shy, kind, young man, but loved to tease. He attended Great West School and the Peterson homestead was just southwest of Radville.

His nieces and nephews remember him as a “protector” – he always looked out for them when they walked to school. Even though he was ten years older than most of them, he always had fun with them sliding down the hills and using Wallace’s skis. They were a musical family, with many memories of brother Elvin playing guitar and brother Edgar on the violin. But on Saturday nights, everyone knew not to bother Wallace as he loved hockey and he always listened to the Saturday night hockey games on the radio.

The Peterson family worked hard on their farm, everyone pitching in to help with the big garden and raising their special turkeys. Wallace, being the youngest, got special attention from all his sisters. Sundays included extra roast beef or chicken for supper because someone was always invited over – friends, relatives or neighbours.

Wallace loved to hunt and trap skunks and weasels to sell the skins and he had a special knack for butchering the turkeys.

Wallace worked on the family farm until he joined the Army in 1942. He was a member of the Calgary Highlanders and while training in British Columbia, he had met a special girlfriend there.

After one last visit home and just before he went overseas, Wallace’s niece remembers climbing into the car with him to take him to Regina. They never dreamed it would be the last time they saw him.

Every letter he wrote home has been kept – some parts blacked out by his commanders.

On July 25, 1944, Wallace died leading troops into a small community. He was killed by a German sniper nine miles south of Caen. He was 24 years old.

He is buried in Bretteville-sur-Laize Canadian War Cemetery in Calvados, France. Soldiers buried there were part of the later stages of the Battle of Normandy, the capture of Caen and the thrust southwards to close the Falaise Gap and seal off the German divisions fighting desperately to escape being trapped west of the Seine. There are about three thousand allied soldiers commemorated at this site.

Wallace’s brother, Hjelmer, visited the cemetery with his daughter, Ruth Bailey, in 1975 when Hjelmer was 77 years old. They spent four hours there, Hjelmer took photos of every grave he found from the Weyburn/Radville and areas. When they returned home, he visited the parents of every fallen soldier and gave them the photo of their gravestone.

**PICKERELL, Charles Walker**

**WWII**

Charles was born in Leslie, Saskatchewan, in 1921. He was one of six brothers in the service at the same time. He enlisted in the Army on October 29, 1942 and served with the No. 12 District Depot in Canada. He was discharged on September 1, 1943. Charles passed away in 1990.

## **Aaron W. Shoaf and Mabel Humphries**

### *A Canadian Veteran and His War Bride*

Aaron was born in 1918 in Brightsand Lake, Saskatchewan, one of ten children. He was raised in a farming environment. He enlisted in the RCA in July 1942 and arrived in England in January 1945, where he spent the duration of the war. He was formally discharged in Regina in April 1946.

Mabel was born in 1924 in Surrey, England. She enlisted in the British Army in September 1941 with the Auxiliary Territorial Service (also known as the A.T.S.) Division. She also served until the end of the war and was formally discharged in March 1946.

Aaron and Mabel met during the war and were married in January 1946, prior to Aaron's demobilization back to Canada.

Mabel left England in June 1946 aboard the SS Letitia from the port of Liverpool and arrived in the port of Halifax, Nova Scotia, ten days later. She traveled by train across Canada arriving in Kelowna, BC, on July 1, 1946, where they returned to civilian life.

In January 1947, Aaron and Mabel moved to Meadow Lake where they remained for the duration of their lives, raising their seven children and serving their community. Mabel served her community through her dedication and active involvement in The Royal Canadian Legion Branch 76 and the Ladies Auxiliary, serving as an executive member in both service clubs for many years before retiring from active participation due to illness.

Aaron worked in logging camps during the first part of his married life, then as a carpenter throughout the duration of his lifetime. He was active in supporting The Royal Canadian Legion Branch 76, volunteering his services assisting with the boys' boxing and ball clubs, and providing much produce from his large garden for fundraisers in support of The Legion and the community. In his capacity of carpentry, he volunteered his time to help build a variety of structures in the town, as well as repairing carpentry problems for seniors for 'no charge' during his retirement years.

Aaron passed away on March 30, 1995 and after a long illness, and Mabel passed away in November 2002.

**STAGE, Joseph Bell**

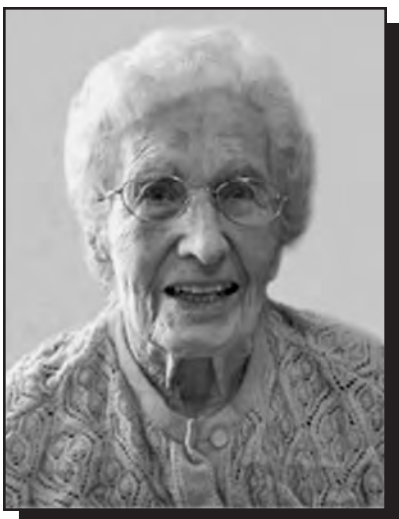

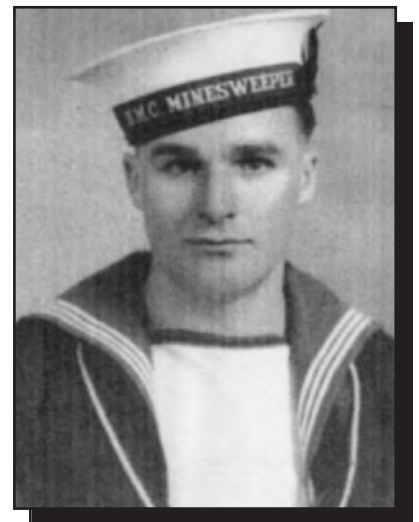

**WWI**

Joseph was born in Howden, England, on September 4, 1882 to parents William and Jane Stage. He arrived in Canada on September 13, 1911 with his wife Elizabeth and their two children, Joseph and Christiana. Joseph Sr. was working in Moose Jaw as a boilermaker when he enlisted on October 27, 1914, serving with the 28<sup>th</sup> Battalion, ending up near Shorncliff, England. His battalion left for the front lines in France on September 17, 1915. His wife and children, who had followed him to England, travelled to Calais, France, to be near him but were eventually persuaded to return to Canada. Joseph was wounded twice and partially buried in an air raid. He stayed alive by pulling his collar away from his throat so he could breathe. His loving wife, mistakenly informed that he had been killed, set off for France and found him alive, although badly injured. He suffered from what was then called 'shell shock' and was hospitalized for a month. After the war, the family relocated from Moose Jaw to Outlook. Elizabeth became ill in 1921, needing intensive treatment in Rochester. They subsequently moved to Santa Monica, California, where Joseph purchased a service station. He died on February 2, 1958 and is buried at San Bernardino.

**STANDFIELD, Ralph Lewis**

**WWII & PEACETIME**

Ralph was born in Craik, Saskatchewan, on January 7, 1922. He was discharged after World War II on February 7, 1945, having served as Leading Seaman and Leading Torpedo Operator. He re-enlisted in April 1951 and received his final discharge in April 1956 as Petty Officer 1<sup>st</sup> Class. Ralph passed away on May 14, 2008.

**STEPHENS (McEWEN), Audrey Hope**

Audrey was born in October 1921. As her brothers joined the Air Force, she chose to serve her country too. She served "overseas" in Gander, NL, and Dartmouth, NS. She did aircraft reconnaissance (radar spotting), and then identified sunken ships and planes to ensure everyone was accounted for after the war. After the war, she enrolled at the U of S, convocating with her Household Science and Education degrees. She met her husband Jonathan at his brother Gordon's and Elizabeth's wedding while working at Fort San as the dietitian. Elizabeth loved to relate that he immediately picked her out in her beautiful green suit and said, "that's the girl I'm going to marry." They had five daughters. In later years, Audrey and Jonathan enjoyed travelling to the UK, Hawaii, Florida and Alaska. Audrey passed away on June 4, 2019.

## **Kenneth Earl Styles and Dorothy Florence May Treweek** *A Canadian Veteran and His War Bride*

Kenneth was born west of Penzance, Saskatchewan, in 1919. He enlisted with the Army in 1941 in Regina. Following his training, he headed for the United Kingdom, and then to France, Holland, Belgium, and Germany, where he served with the L of C Signals, Royal Canadian Corps of Signals. He returned to Canada and was discharged on November 27, 1945 in Regina. He was awarded the Canadian Volunteer Service Medal and Clasp, 1939-1945 Star, France and Germany Star, Defence Medal and War Medal 1939-1945.

Dorothy was born in London, England, on January 18, 1923. She lived there until 1941 when her mother moved her family of six to Colchester hoping to escape the Blitz. Her father, in the Naval Reserve, died accidentally at work during a blackout in June 1940.

Dorothy met Kenneth during a blackout. He escorted her home and she agreed to meet him again. They spent all their free time together in the winter and spring of 1942-1943. They were married on June 20, 1943 at All Saints Church in Colchester, Essex County, England. On their wedding day, they had their wedding meal off the top of an air raid shelter. Her mother had saved rations for the cake. It lost the top layer in a noisy air raid, but her mother stuck it on again and no one noticed.

She left Southampton, England, on July 19, 1946 on the Queen Mary with daughter Patricia, aged two, and son Clifford, aged five months. They arrived at Pier 21 in Halifax, Nova Scotia, on July 23, 1946 and travelled to Craik, Saskatchewan. Another son, Wayne, was born later in Saskatchewan.

Kenneth was a member of The Royal Canadian Legion Craik Branch for 48 years.

Dorothy passed away on July 16, 2006, and is buried in Craik, Saskatchewan with Ken who passed away on May 12, 2001.

**VAXVICK, Kalmer**

**WWII**

Kalmer Vaxvick was born on the family homestead south of Glenside on June 30, 1912. He helped on the family farm and worked in a number of places in Saskatchewan, mainly as a self-taught mechanic. Hard times in the 1930's sent him to Ontario in search of work. However, he never lost his love for the farm. During World War II, he served with the RCAF, posted in England as ground crew for Lancaster bombers. He remembers meeting the young princesses Elizabeth and Margaret riding their bikes near a hangar where he was working. After the war, he married Mary McPherson. They spent most of their married lives in Scarborough. The couple enjoyed travel vacations to Hawaii, Cuba, the Bahamas and Florida. Kalmer died in 2006 at the age of 93. He is buried in Green Valley Lutheran Church Cemetery, southwest of Glenside, near the family homestead.

**VERAAS, Audfinn**

Audfinn was working in Regina as a mechanic when he enlisted in the RCAF on July 17, 1942. Flight Sergeant Veraas was attached to 102 Squadron based in Full Sutton, Yorkshire. This heavy bomber squadron was active from the second day of World War II. Its early missions included dropping anti-Nazi leaflets in raids over Germany, followed by thousands of bombing raids as the war progressed. Audfinn Veraas' Hanley Page Halifax bomber failed to return from a bombing raid over Hamburg on July 30, 1943. Audfinn was nineteen. Flight Sergeant Audfinn Veraas is commemorated at Runnymede Memorial near London.

**BOER WAR & WWI**

Alexander Griswold Viets was born on April 25, 1878 in Digby, Nova Scotia. His parents were John Moors and Jane Snow Viets. He served in the Boer War with the 3<sup>rd</sup> Canadian Rifles. He moved to Outlook, Saskatchewan, in 1909 where he worked for Outlook Realty and became the first Town Secretary. He was also Warden at St. Mark's Anglican Church. He joined the Princess Patricia's Canadian Light Infantry on September 3, 1914. A mortar bomb landed beside him at Ypres Salient in May of 1915, destroying his eyes and wounding his face, arms and legs. After recovery, he became the first soldier blinded in WWI to return to Canada. He married Mary Elizabeth Moody on April 25, 1917. Alexander Viets worked for an insurance company until his death on April 22, 1949. He is buried in Mount Pleasant Cemetery in Toronto. **WAKELAM, Donald Thomas “Don”**

Donald was born on January 9, 1927 in Regina to Thomas and Mabel (Perras) Wakelam. He grew up in Regina and graduated from Central Collegiate in 1946. He began his career working at the Canadian Bank of Commerce in southern Saskatchewan before joining the Canadian Army in 1949, serving in the Royal Canadian Army Pay Corps. Don served in Churchill (where he also volunteered as a radio announcer at Station CHFC), Vancouver, Regina, Washington, DC (at the Canadian embassy), Ottawa (where he was involved in the very early years of computer pay systems) and Calgary, where he retired from the military in 1974. Subsequently he worked for Greyhound Lines of Canada, when he was a founding member and past Chairman of the Canadian Payroll Association, retiring in 1987 as Director of Payroll Services. Don was President of Calgary Canukeena, and as an avid model railroader, was a member of Cal-O-Rail for over thirty years and served on the Board of the Calgary Model Railway Society. Don was also a volunteer for 26 years at Spruce Meadows and served as a Ring Master for national and international events. He was a life-long reader and especially enjoyed military history and current events. He married his high school sweetheart, Sharon Mona Smith, in Regina in 1951. Don passed away on May 29, 2019.

**WALKER, Alexander**

Alexander Walker was born to John and Miriam Walker of Bo’ness Falkirk, Scotland, on July 5, 1894. He was working as a bank clerk in Outlook when he enlisted in Winnipeg on November 22, 1915, at the age of 21. He served in France with the 43<sup>rd</sup> Battalion, Manitoba Regiment, from November 14, 1916 until he died at 10 Casualty Clearing Station of a massive gunshot wound to his thigh on October 26, 1917 at the Battle of Passchendaele; he was assigned to the Cameron Highlanders of Canada at the time. A Memorial Cross was presented to his mother, Miriam Walker. Private Alexander Walker is commemorated at Lijssenthoek Military Cemetery in Belgium.

**WALKER, Robert Andrew**

**RESERVES**

Robert was born in Prince Albert, Saskatchewan, on July 1, 1934. He served with the 1<sup>st</sup> North Saskatchewan Regiment Reserve, Saskatchewan Reserve Army Band from October 1954 to September 1959. Canada’s Reserve Army in the 1950’s was comprised of many WWII officers and NCOs as leaders and trainers. Colonel Hal Tucker OC wanted a reserve army marching band to raise reserve army profile and encourage enlistment. Charlie Thompson was a WWII tankman who entertained troops in dance and concert bands in Britain. His music started at age five in the Salvation Army band. By age ten he was tunneling in a Welsh coal mine and playing trombone, trumpet or any horn in a post-war Prince Albert city band. Charlie created a very prominent band playing Remembrance Day service, Prince Albert and Saskatoon Exhibition Travellers Day parades, Regina Armouries concerts, Prince Albert National Park Waskesiu concerts, Saskatchewan 50<sup>th</sup> year golden jubilee, Tisdale with the RCMP musical ride and glowing reviews when the critics reviewed the band’s opera presentation at the Prince Albert Music Festival. Sadly in 1949, Government austerity cancelled reserve army bands. As a Veteran, he continues his 47 years of Legion service with a Lifetime Membership award in 2018.

**WALTON, Thomas Alfred “Tom”**

**WWII**

Thomas Alfred Walton was born in Hamilton, Ontario, in 1923. He grew up in Hamilton and was a commercial artist with Reid Press in Hamilton when he enlisted in the RCAF in 1941 and trained as radio operator for 2.5 years. Tom trained in Guelph, Ontario, in Canada and in Bournemouth, England on Tiger Moths bi-planes for radio training graduating to the Wellington (Wimpy) bomber. After the Wellington, he flew in the Halifax Bomber and then the Lancaster. His rank when posted to England was Flight Sergeant. He flew missions out of various bases with 428 Ghost Squadron in England with his main base being Middleton St. George. Tom had 21 missions, some of the more memorable to Gelsenkinkin Oil Refinery, Dresden, Gauge Factory, and Chemnitz in Germany.

One of the more memorable events occurred on a mission to Hagen, Germany at the beginning of December 1944 where icing caused their Lancaster to crash and the crew having to bail out. Tom landed safely in France in the allied controlled area and with the assistance of the French people and later the US Army returned to England in early December. He said the French people were

very helpful and accommodating. He did not return to his base prior to his family receiving a telegram that he was missing after the mission. Happily, a few days later upon his return to base, his family received a follow-up telegram on December 7 and later a letter dated December 11, 1944 that he had returned safely to his unit. Within a few days he was back in the air once again flying missions over Europe and Germany. Tom was promoted and finished his service with the rank of Flight Officer.

As a graphic artist, Tom was very talented. Being a graphic artist, when serving overseas he painted nose art on the planes, a common practice by air crews during the war. His work on aircraft Nose Art has made him quite well known in the field, his Lancaster being “Sugars Blues”, featured a redhead in a green dress on the pilots side of the plane and a Ghost holding a bomb “for 428 Ghost Squadron” on the opposite side of the nose. Sugars Blues was a well known RCAF Lancaster and numerous photos are in the archives. A copy of the nose art is painted on a replica nose section of a Lancaster on exhibit at the Nanton Bomber Command Museum of Canada in Nanton, Alberta.

After returning home in 1946, Tom met and married Millie, his wife of 65 years. Tom returned to his graphic artist career and he and Millie had two sons. He later moved to Saskatoon, Saskatchewan, to pursue his graphic arts career, eventually retiring and then traveling with his wife, enjoying holidays to the southern US. Tom and his son moved to Elliot Lake, Ontario, where he enjoyed the fishing and being in a smaller center experiencing all the wildlife and being close to nature.

**WARREN, Earle Freeman**

**WWII**

Earle and his brother Doug settled in Radville along with their parents, John and Mae Warren, in 1928. Doug and Earle were excellent sportsmen, both playing in hockey, softball, baseball, rugby, soccer, tennis and track and field. One old Radville Newspaper headline states: "Doug Warren Sweeps all Events Entered" after one of the annual Sports Days. Many sports found the brothers playing side by side as Earle was also a gifted athlete.

In 1928, their father John left the family and moved to Saskatoon to find steadier work. He remained there for a year at which time he sent a letter saying he was heading west in search of work, and not to write to him at this address anymore. The family never heard from him again. His fate remains unknown.

In 1941, both boys went to enlist in the RCAF together. Earle was accepted but Doug was turned down because of a possible heart murmur.

Earle went on to enlist and after training as an Air Gunner, he arrived in the United Kingdom in June 1942, joining 15 Squadron. He was seriously wounded to the face, neck, arm and leg during a mission. The following is a letter written to his mother from Earl's flight captain:

"We were attacked by two enemy fighters and their first burst got Earl across the forehead, a bit in his lower lip and a small bit in his neck. A cannon shell then exploded in the fuselage and a couple of small fragments hit his leg. Earl didn't mention that he had been hit until after the fight, when he called me and said someone should take his place because he couldn't see to fire due to the blood from his wounds. The fellows bandaged him best they could, but he bled badly all the way home. Not once did he complain, even though he must have been in a great deal of pain. He even insisted on walking off the plane. Where he got the strength, I do not know. The medical officer who fixed up Earle told me he has never seen anything like it. He has been highly recommended for the Distinguished Flying Medal, and I know of no one who deserves it more."

Earle was awarded the DFM on January 12, 1943, by King George at Buckingham Palace.

He joined the 156 Pathfinders Squadron on March 5, 1944. On May 7, 1944, 156 Squadron reported that Lancaster Aircraft ND 449, with a crew of seven failed to return from an operational attack on Mantes Gassicourt, France. Of the seven onboard, three were killed, one being Earle. He was 21. He is buried at Bretteville-sur-Laize Canadian Cemetery in France.

Also in 1944, Earle's brother Doug again tried to enlist in the RCAF, this time being successful. He arrived in England in 1944, too late to reunite with his brother Earle who was missing in action just a few days earlier. Doug was a Tail Gunner, flew several missions and was one of the lucky ones to live to tell about it, although he never did. He said it was a time he didn't want to relive. He was Honourably Discharged from the RCAF in October 1945 after returning to Yarmouth, NS, to have his aircraft refitted for Pacific duty. Luckily the war had ended.

**WEBER, Vince**

Vince born in Scott, Saskatchewan, in 1926. He served in the Army during World War II in England and Scotland. He was a seventy-year member of The Royal Canadian Legion Branch 88 in Kerrobert. Vince passed away in 2017.

## *Postcard Fiction*

by Jeanne Palmer

The muffled gasp for help came from Greg’s left. He saw the guerrilla aiming his gun at a young boy approximately seven or eight. The village had sprung from nowhere. Without stopping to think he ran toward the assassin hoping to tackle him before the gun exploded. Their platoon would quietly hesitate to shoot. To hesitate often meant death in this hellhole.

His tackle wasn’t smooth but it flattened the man and flung his gun out of reach. From the corner of his eye, Greg saw the child standing frozen unable to move, the smell of fear and urine strong in the air. With all the power he could muster he slugged this excuse of a man who thought nothing of shooting a child.

“Soldier! Stand down?”

Even in this uncontrollable rage his fist stopped of its own accord before he could hit again. From early training days it was drilled into every man that when this command was given they stopped whatever they were doing. Panting, Greg slowly looked at the blood dripping from his arm and hand. The villagers were standing in shocked silence. He started rubbing the blood onto his pant leg only to realize he wasn’t wearing fatigues but swimming trunks. The blue waters of the Atlantic sparked beside him.

Like a caged animal, he looked around.

“Oh God, what have I done?”

# Vimy "The Legacy of Willie Milne"

Canadian Expeditionary Force, Vimy Ridge, Thelus, France  
Easter Monday, April 9, 1917

by *Scott Allan White*

As the winds grow weak and the sun grows long,  
As the clouds grow heavy and the stars shine strong;  
A rolling stretch of Douai Plain is what I might look on,  
O'er the ridge today.

The boys they lie upon the ground, they laugh and sing and pray;  
They're thankful for the heroes like Willie Milne today;  
Who filled with life and dreams and hope, gasped his final say,  
Up on the hill this day.

Vimy Ridge above this lair, has taken lives so young;  
The fighting lads from Canada going dusk to dawn;  
Yard by yard they must charge up, until the fight is won;  
On each and every day.

Round on round the rifles fire, up at the men we see;  
Sans love, sans hope, sans will, sans amore, sans d'espoir, sans esprit;  
With bodies of their countrymen lying in between;  
Upon this very day.

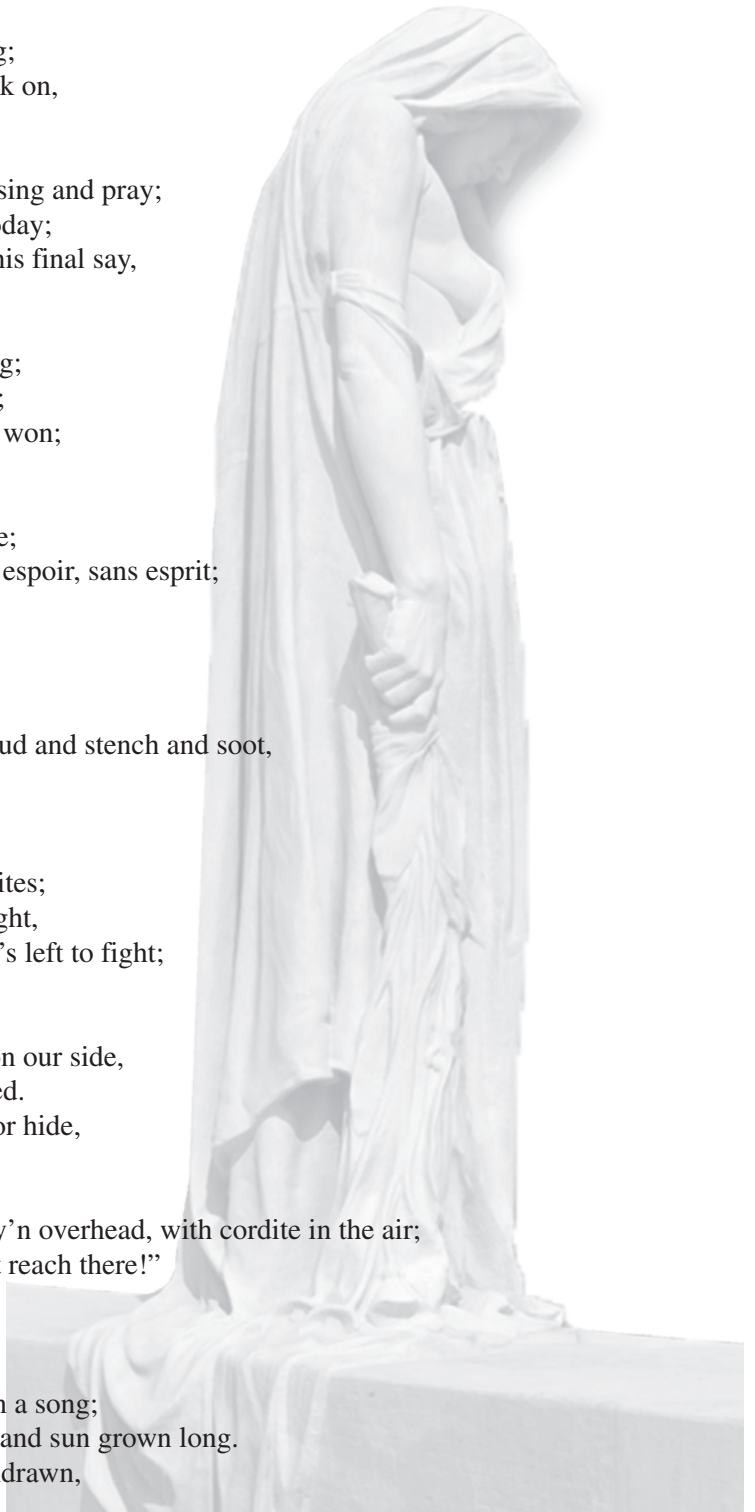

Climb up the hill at any cost, take 'er foot by foot,  
Through blood and guts and body parts; through mud and stench and soot,  
Until the enemy gives in, or 'til the ridge took;  
It should be ours today.

Inch by inch, man on man, cringing through their sites;  
The fight goes on at any cost, the ridge is ours tonight,  
Or tomorrow morn' the scourge goes on, 'til no man's left to fight;  
On and on each day.

Leaping, pounding thwarting, charging, "will" be on our side,  
Redeeming usurpations, avenging those who've died.  
The soldiers grit, "Oh Canada!"; We won't retreat or hide,  
On this or any day.

Go, go, go unto your death, despair; with bullets fly'n overhead, with cordite in the air;  
Until the Germans one by one, give way. "We must reach there!"  
Tripping o'er the ridge this hour;  
The Germans cannot stay.

Victory isn't sweet, or light hearted, nor captured in a song;  
It's clamour brought to silence, winds drawn weak and sun grown long.  
Across the Douai Plain we stare; Our enemy's withdrawn,  
From Vimy Ridge today.
