THE ROYAL CANADIAN LEGION SASKATCHEWAN COMMAND

MILITARY SERVICE RECOGNITION BOOK

Commemorating the First World War

We will remember the men and women who bravely served our province and our nation during the First World War

The names of 1,200 Saskatchewan citizens who sacrificed their lives during the war were added to the Honour Roll on the Saskatchewan First World War Memorial August 4, 2014, to commemorate the 100th Anniversary of the beginning of the First World War.

Additionally, two four-year displays paying tribute to those who served in the First World War are located on the second level in the Legislative Building until the 100th anniversary of the armistice in 2018. The displays include the Battalion Colours of Saskatchewan's 28th North-West Battalion, Canadian Expeditionary Force and a virtual display, *From the Prairies to the Trenches*, created by Saskatchewan Archives.

The Saskatchewan Virtual War Memorial is available online at **svwm.ca**.

Saskatchewan's First World War casualties are also recognized through the Government of Saskatchewan's GeoMemorial Program.

The GeoMemorial Program commemorates those who lost their lives by naming geographic features such as lakes and rivers in their honour.

Message from the Premier of Saskatchewan

On behalf of the Government of Saskatchewan, it is my distinct honour to provide greetings for the 8th Annual Military Service Recognition Book.

For over a century, the brave women and men of the Canadian Armed Forces have answered the call to fight for this country, defending our values, our freedoms, and our quality of life as Canadians. The people of Saskatchewan are profoundly grateful to our Veterans for their courage and sacrifice in defence of our country. Together we honour their service, celebrate their proud history and remember those who have sacrificed for our freedom.

Thank you to everyone who helped make this publication possible, including family members of the military personnel profiled in this book. Your support helps Saskatchewan Command sustain many ongoing community activities and continue to fulfill its role as the "Keepers of Remembrance".

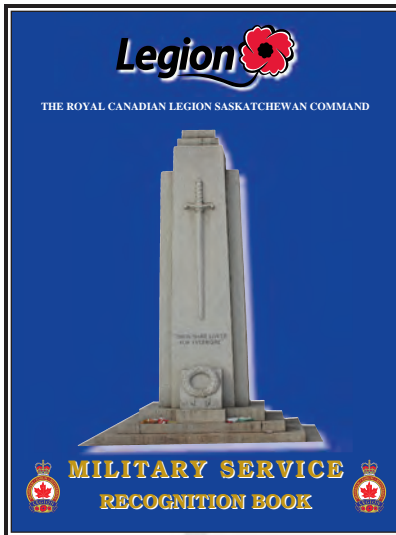

By remembering the service and sacrifice of our Veterans, we honour the legacy of peace and freedom that they gave so selflessly.

Let us never forget.

World War II Veterans Remembered At High School Provincial Football Playoff

The Bud Weaver Memorial Trophy is awarded annually to the Saskatchewan High Schools Athletic Association's 4A Provincial Football Champion. The provincial football championship game is held every year on the second weekend in November. The championship trophy is named the Bud Weaver trophy which honours the late Bud Weaver. The 2012 championship game marked the 64th anniversary of the tribute. Bud died while serving with the RAF during World War II.

Harold (Bud) Weaver attended Bedford Road Collegiate and the University of Saskatchewan where he played as a halfback and punter with the Huskies. He also played professionally for some time following his days with the Huskies. In May 1941 at age 28, he was posted overseas. He was killed in action on September 20, 1941.

Until 1946, a provincial high school final had never been held, but in the course of a few days that November, the idea took wing. Four days before the game, Ross Pinder, a former Huskie quarterback, got together with the University of Saskatchewan coaches. They each contributed \$15 toward buying a trophy to be awarded to the provincial high school football champion. In honour of Bud Weaver and other Huskies, the inscription reads: *In revered memory of the members of the University of Saskatchewan Huskies who lost their lives in the Great War 1939-45.*

COUNTRYMAN, Allan Ellis “Al” **WWII**

Al enlisted in the Army in the fall of 1941. He took basic training in Regina and advanced training in Red Deer, Alberta. The service unit was mobilized there and they proceeded overseas in August 1942. Allen was in the B Unit. The first camp was Bramshot, Surrey and in April 1944, the tank transporters were disposed of and they received Mack Diesel 10-ton lorries. In July 1944, the Company landed on the beach in France at Courcelles-sur-Mer. Allan served with the 69th Canadian General Tank Transport Company in France.

The Loon Lake Golf Course is situated in Makwa Lake Provincial Park, an approximate 3-hour drive from Saskatoon. It is a beautiful, challenging 9 hole, par 36 course with licensed clubhouse, home cooked meals, driving range, putting green, rental carts. There is lots of camping space close by with over 200 electrical sites, and lots of good fishing in all the close by lakes. Rates are very reasonable.

Lawrence's body was assumed to be a German soldier as he was wearing articles of German clothing his crew had scavenged from dead German soldiers to keep cool. Lawrence was buried with unidentified German soldiers in the Mont d'Huisnes German Ossuary in France. His family convinced the German authorities in September 2013 that an examination be made of his assumed grave, resulting in a match in dental records. *Proud To Celebrate
Our Veterans*

Each year, Remembrance Day is celebrated across Canada to pay tribute to the men and woman who have served our country. For Veterans, it is a day to remember and pay homage to those who did not return home from conflicts around the globe, comrades who gave their lives in support of the ideals of freedom, democracy and the right to live in peace.

Wearing a poppy and attending Nov. 11th services is a small but important way to show respect and support for veterans who have served in countries where freedom can be elusive and enemies are hard to distinguish from friends. Our world has changed, but those who serve stay remarkably the same, committed to comrades and country. On behalf of City Council and the residents of Yorkton, let's be sure "We remember them".

Sincerely,
Bob Maloney

NORMAN, Franklin

WWII

Franklin was born sometime between 1913 and 1920 in the Rensby School District, east of Elbow. The family later moved to the Reber district south of Davidson, then to land east of Davidson across the Arm River. They eventually moved to town. Franklin attended Briercrest Bible College in Caronport and was very involved in founding what became known as the Gospel Assembly Church. In the summers between 1935 and the start of World War II, Franklin and Cecil Coward traveled many miles in hot weather contacting school boards for use of country schools and inviting parents to send their children to Vacation Bible School. He enlisted to serve in the Second World War and was killed in action while overseas.

NORTHROP, John Samuel "Sam"

WWII

Sam was born in Indian Head, Saskatchewan in September 1921. He joined the Royal Canadian Air Force in 1942 and wanted to be a rear gunner. However, that was not to be and he did Morse code work instead. Sam never went overseas but did travel in Canada from coast to coast, spending some time in Whitehorse. When he left the Air Force, he took up farming cattle and grain at Salwart with his father Henry. In 1951, he married Joyce Mooney from Imperial and they had four children. In 1956, Sam purchased land in the Liberty district and continued to farm until he retired to Davidson in 1988. In Sam's retirement years, he enjoyed his music and became involved as a coordinator for seniors. Sam was a member of Liberty Legion Branch 261 and Davidson Legion Branch 51 for a total of thirty-seven years before he passed away in January 2008.

NORTON, George Oliver

WWII

George was born north of Carnduff in 1920. He joined the Army in the spring of 1942 and served in Canada with the South Saskatchewan Regiment during World War II. He became ill and was discharged without going overseas. George passed away in 1992.

NORTON, Trueman Ellis

WWII

Trueman was born north of Carnduff in 1917. He enlisted in the Army in the spring of 1940 and served in England with the South Saskatchewan Regiment. Trueman was killed in action on August 19, 1942 in the Dieppe Raid. He is buried in the Brookwood Military Cemetery in England.

NORWEST, Henry Louis

WWI

Henry was born in 1884 in Prince Albert. He was a former ranch hand and rodeo performer and had served for a short time with the Royal Northwest Mounted Police until September 1915 when he joined the Canadian Army. In his nearly three years of service with the 50th Canadian Infantry Battalion, Lance-Corporal Norwest achieved a documented sniping record of 115 fatal shots. While he was an outstanding marksman, the thing that set him apart from the others was his superb stealth tactics and his expertise in the use of camouflage. As a result of his exceptional abilities, his superiors frequently sent him on reconnaissance missions into “No Man’s Land” behind enemy lines. In 1917, Henry earned the Military Medal during the Battle of Vimy Ridge and the following year, he was awarded the bar to his Military Medal. Only three months before the end of the war in 1918, he was on a mission to find a German sniper’s lair when he was killed by the enemy sniper.

OGENCHUK, John

WWII

John was born in Alticane, Saskatchewan on March 4, 1919. He joined the Army during World War II but had to return home in 1944 to help his mother as his father had Tuberculosis and his brother and sister had M.S. John was a member of The Royal Canadian Legion, Branch 116, for forty years before he passed away on July 11, 2008. John delivered crosses and wreaths for the Legion for forty years and his wife Ann continued to do so after his death.

The population was very happy with the Canadians. After repairing the war-damaged equipment, Sergeant Ordon returned to Canada for discharge on October 30, 1945. He joined Wood Mountain Legion Branch in 1945 and served as President of Orkney Legion Branch 232 for seven years. RINGGUTH, Cecil Herman

WWII

Cecil was born on December 14, 1921. He enlisted in the Army in 1940 and served as Gunner on a tank in Africa, Sicily, Italy, France, Belgium and Holland. Cecil returned to Canada in 1946. He passed away in 1978.

ROBERT, Joseph Lucien

WWII

Joseph was born in 1922 in Prince Albert, Saskatchewan and he served with the Essex Scottish Regiment, 1st Division in Canada, Britain and Northwest Europe. He was a sniper in France and Germany for two years before he became a German POW after stopping to help a fellow soldier. He escaped once but was re-captured. The Germans tortured him and locked him in a hot box where he was rescued barely alive by the French underground. He spent a long time in hospital in England and while recovering, he was invited for tea with the Queen Mother at Windsor Palace. Missing in action and presumed dead, his family didn't expect to have him arrive home late one night. The following morning, his sister fainted when she saw him, his brother kept saying he knew he'd come home and his father shed a lot of tears. It was hard talking about the war and dealing with the nightmares and memories of what he'd seen. He was awarded the Medal of Honour from King George VI in 1945.

RODGERS, Dave

WWII

Dave was born in Raphoe, Northern Ireland in 1916 and came to Canada with his parents, six brothers and one sister in 1924. Another sister was born in Canada. They farmed at Handsworth, Saskatchewan. He joined the Royal Canadian Air Force and served in England and Europe during World War II. When he returned from overseas, he moved to Choiceland, Saskatchewan and farmed there after clearing some land. He died in 1986.

They were told they would most likely be sterile. These veterans were recognized at Suffield on August 26, 2005 when they were finally able to break the "forced code of silence". Nick was proud of his Maple Creek Legion 16-year membership. With his wife Elizabeth, Nick raised four children while living in Vancouver, British Columbia from 1951 to 1969 before returning to Maple Creek where he resided until his death in 1994.

ROY, André

They picked up a cargo of oats and timber in Port Alberni then went on to Oakland, California where the deck was loaded with fighter planes bound for Australia for use in the Pacific War. By the time the ship arrived at its destination, the war in the Pacific was over. John celebrated VJ Day (the end of the war in the Pacific) in Sydney, Australia on August 15, 1945. His patrol was picked to do a night raid with the goal of capture and intelligence on the enemy. This raid did not go as planned and they were attacked. He carried an injured soldier down the hill but the soldier died while still being carried by John. A week later, John requested to be discharged and he was shipped out. He met Thelma in Japan and moved with her to her home in Australia where they were married. After Thelma passed away, he married Peggy and they reside in Medicine Hat.
